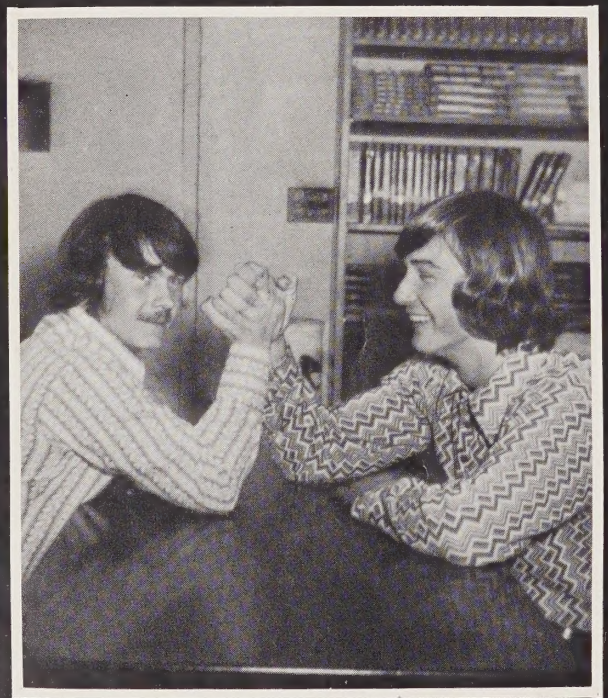
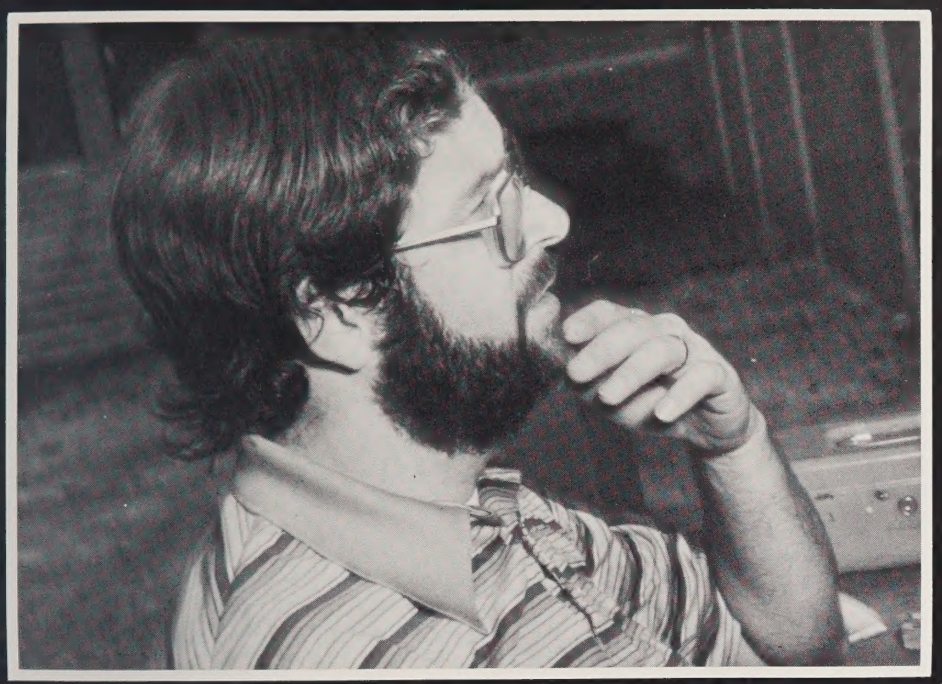
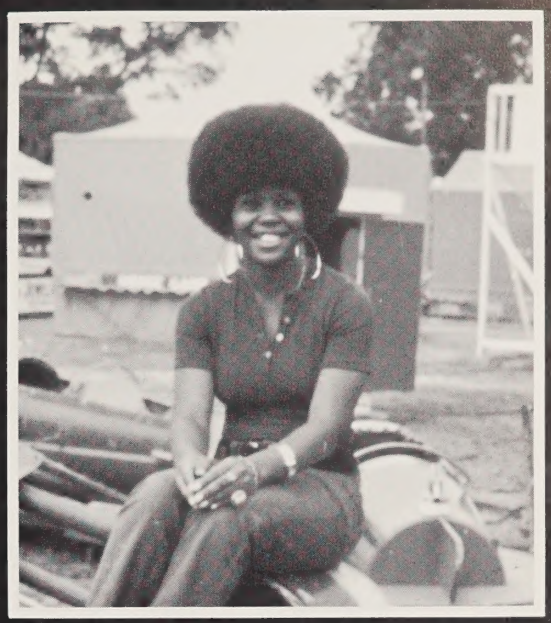
Our lives have been years of learning, competing, and "funning".

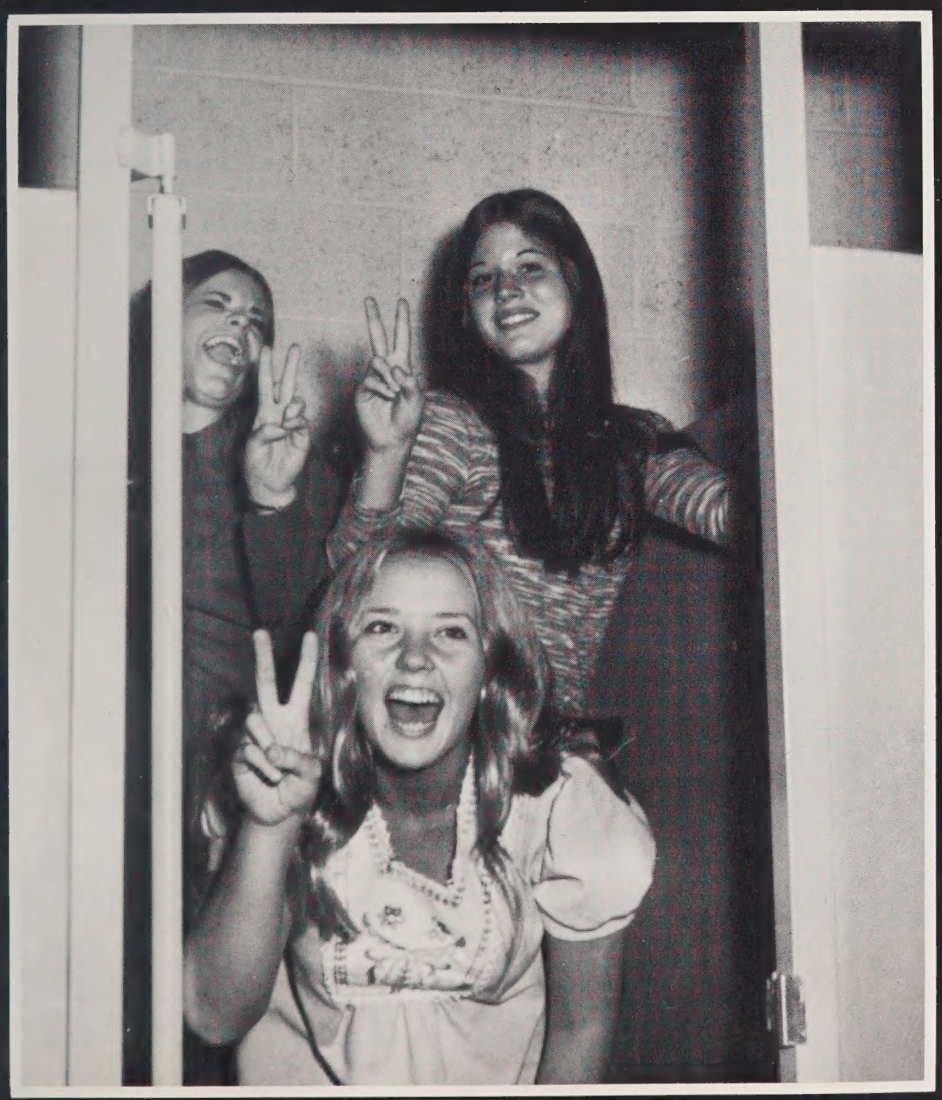


The future does not
belong to those who are
content with today...
Rather it will belong to
those who can blend
vision, reason, and
courage in a personal
commitment....

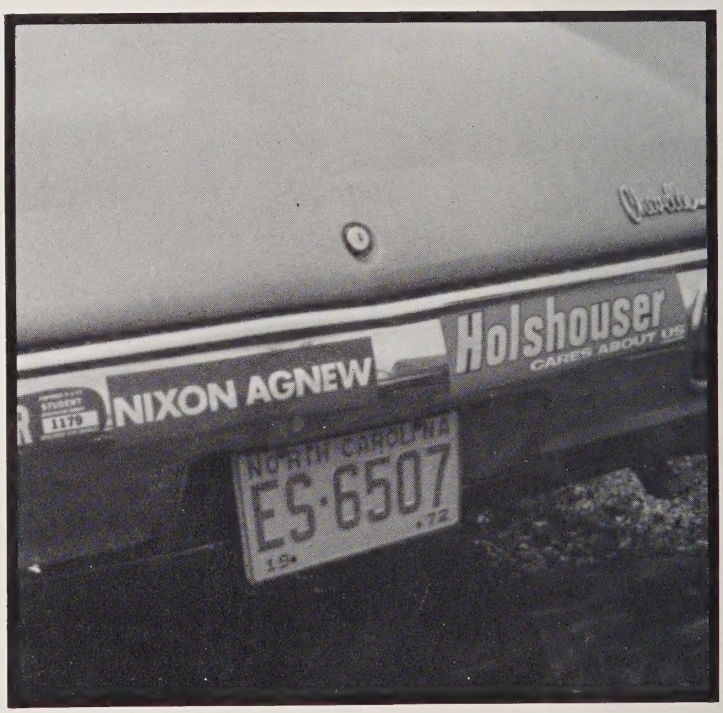
There has been the ever changing view of life before us each day.



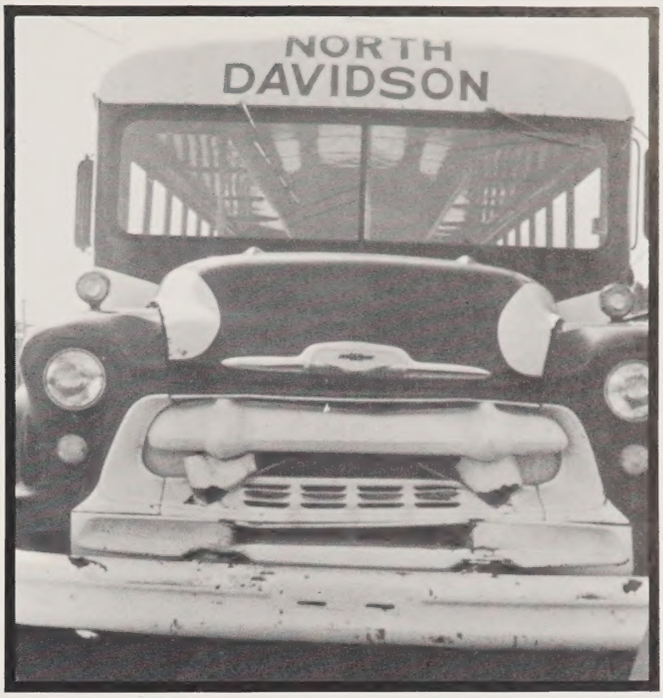


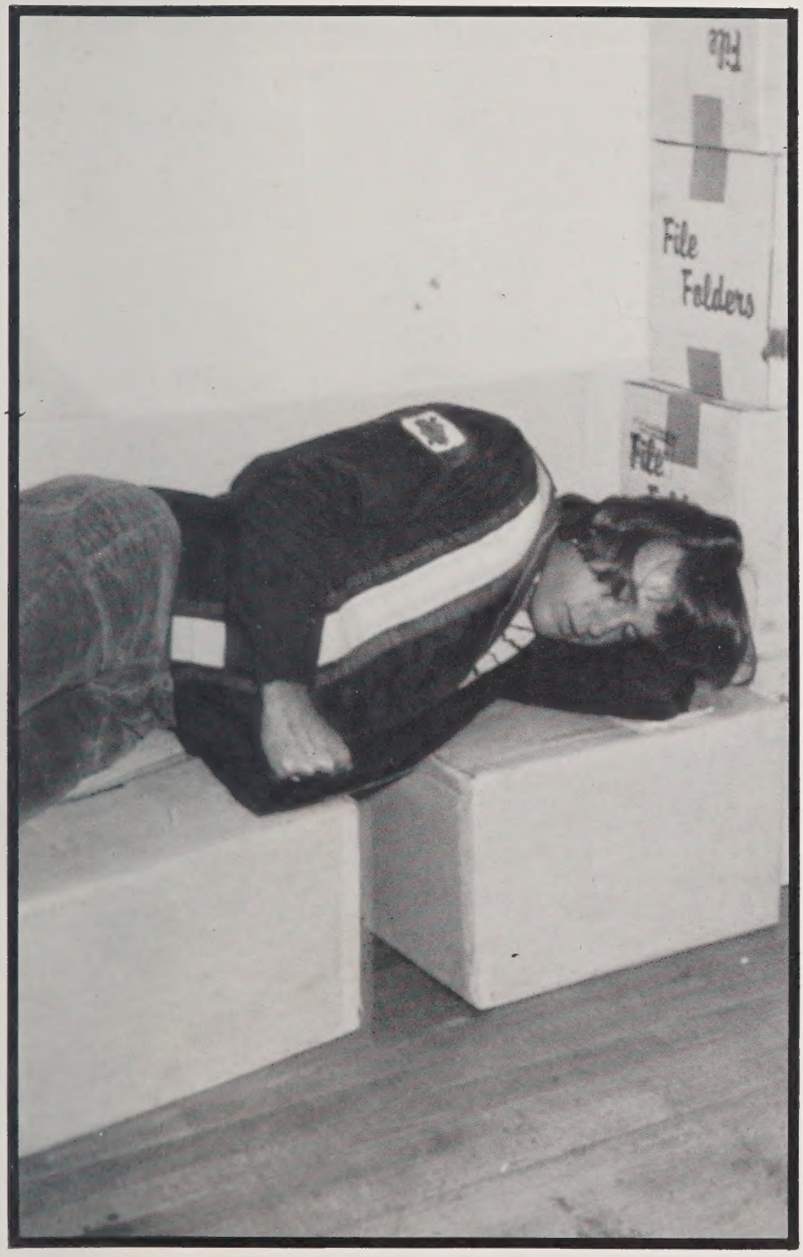


At times we have been involved;

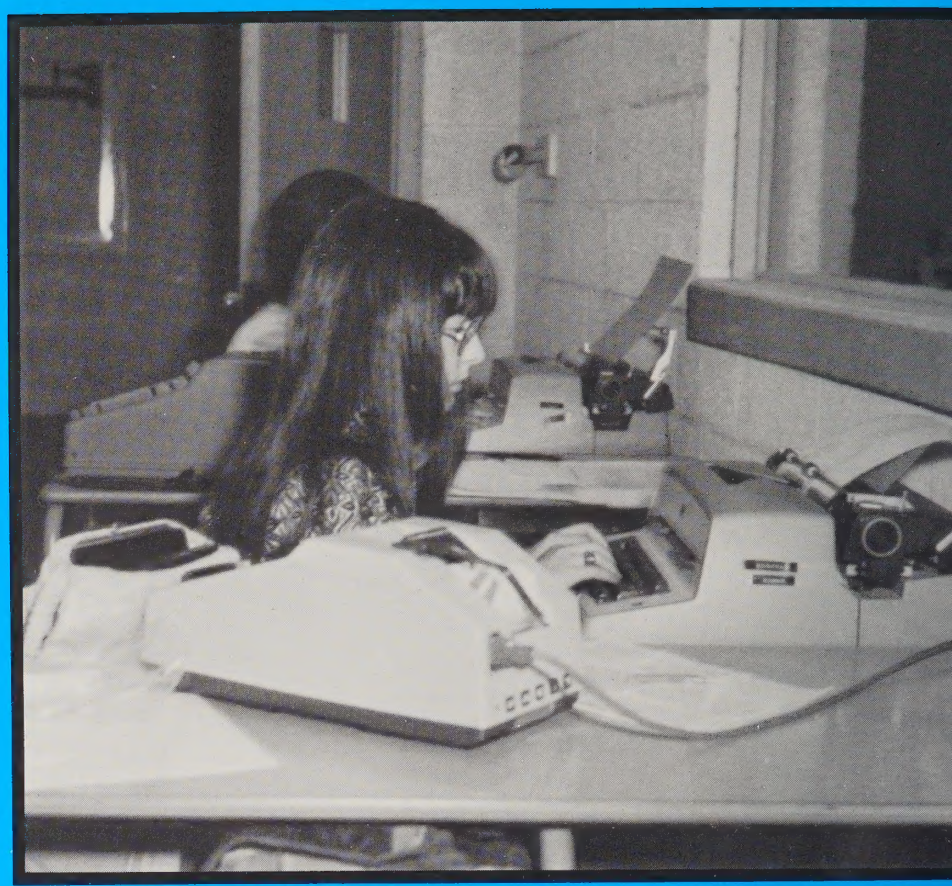


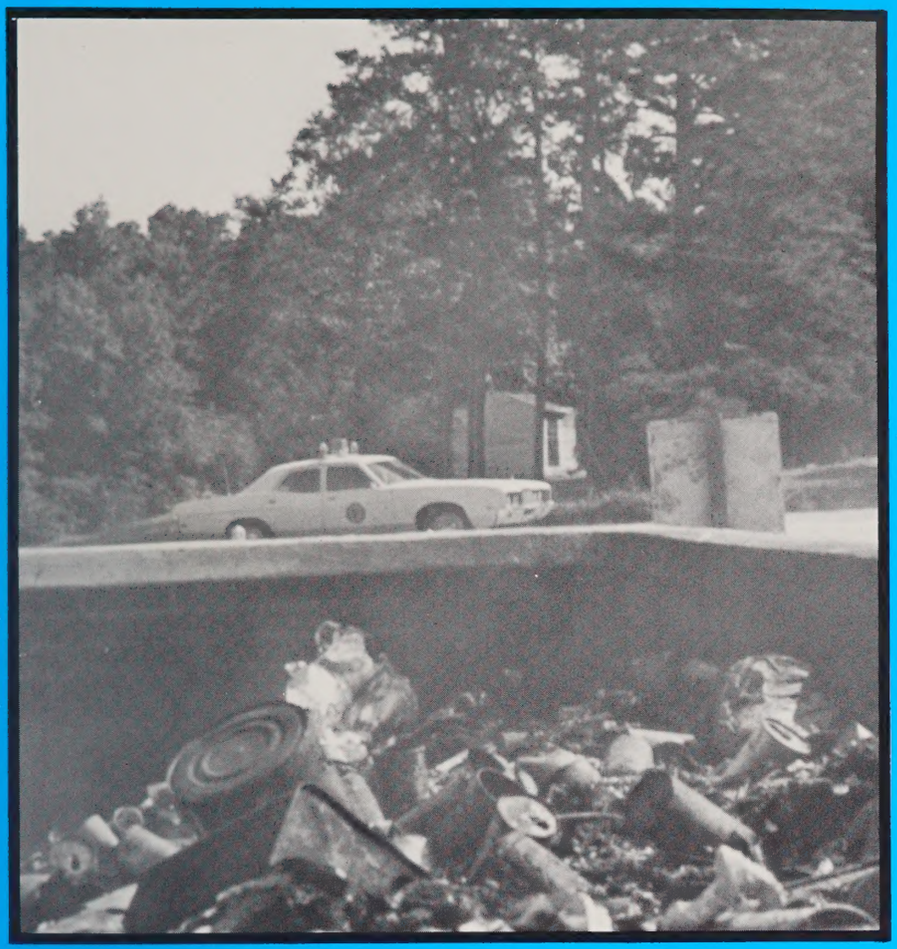
at others indifferent.

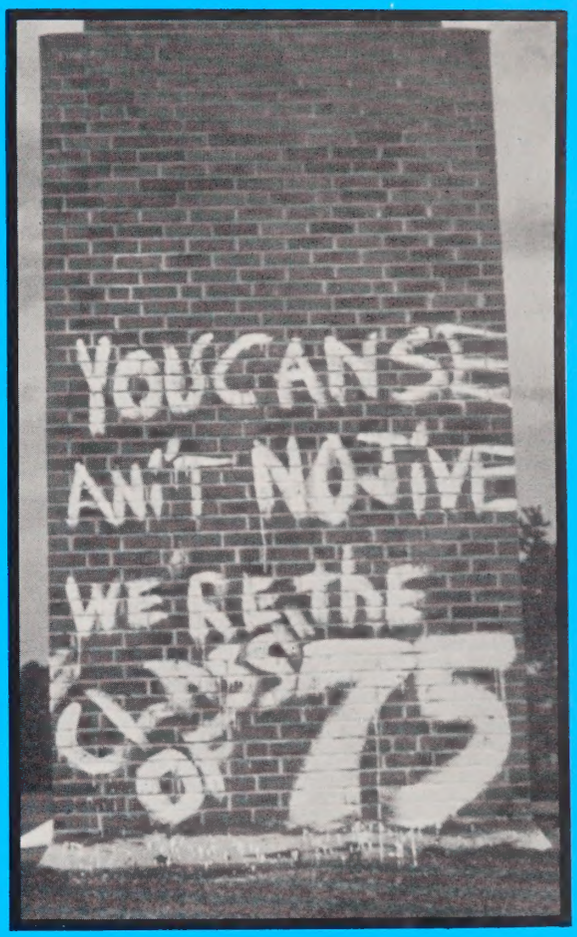




We have sought to improve the quality of our lives.







Some have toyed with destruction.

There has been occasional cause for despair;
yet, we have faced each new challenge with hope.

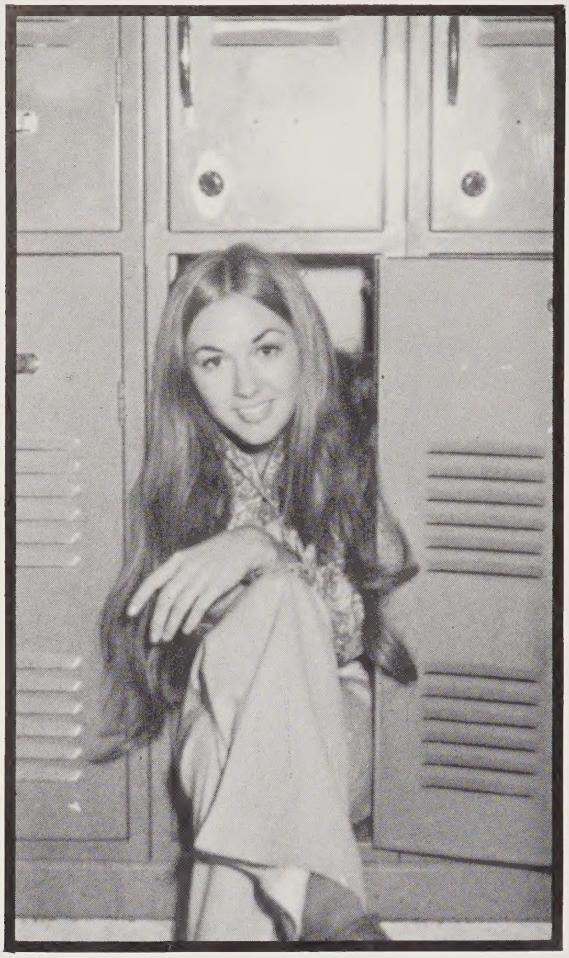
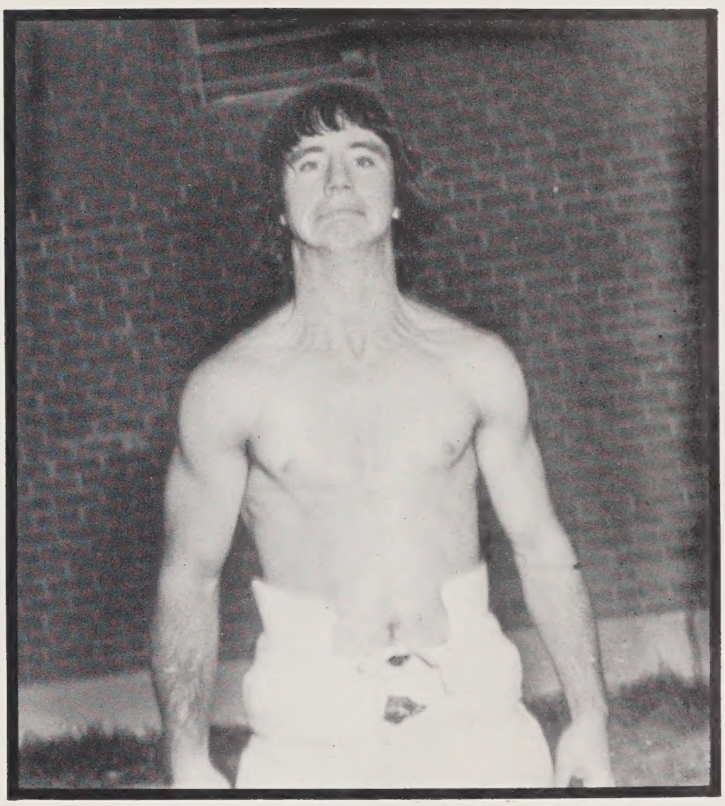
We have applied our knowledge to express our individual feelings in the way we thought best.

We should not be afraid to express ourselves.

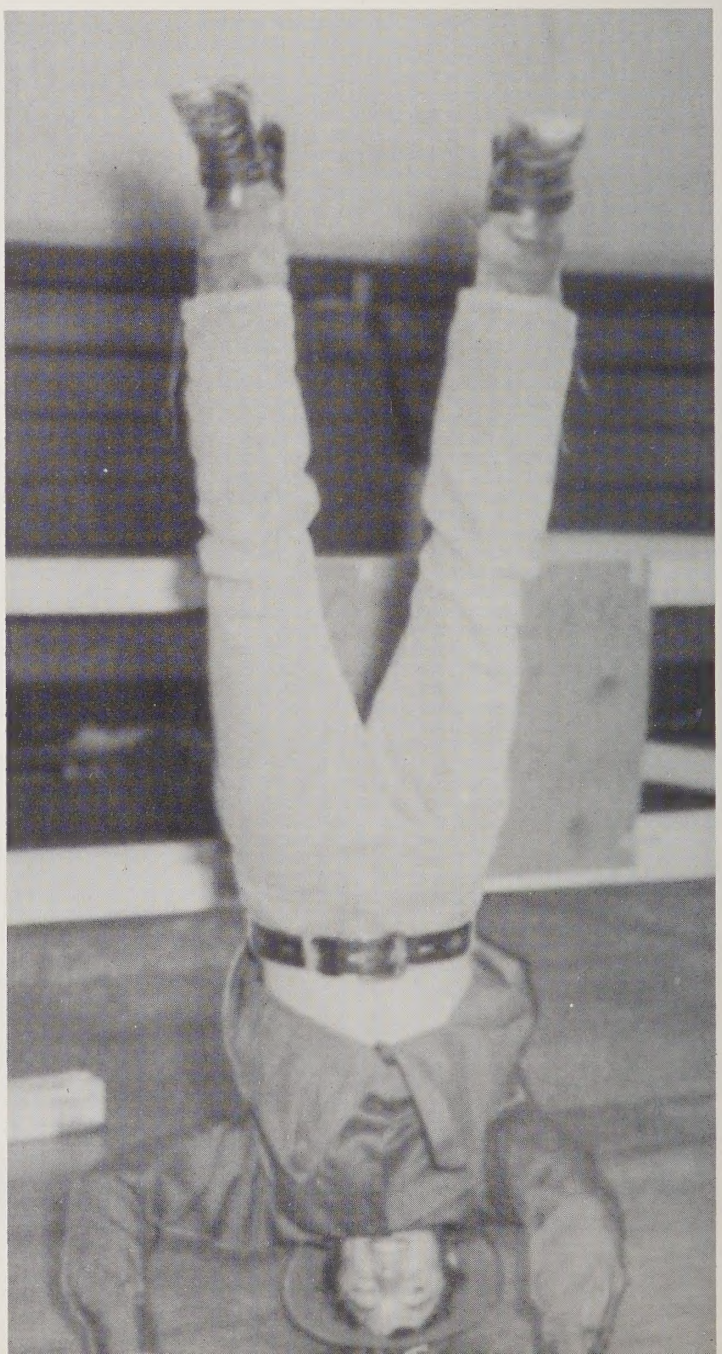




"I can't put THAT on the poster!"

"Are you sure Burt Reynolds started this way?

"Will this really make me smarter?"



"No, you can't have a bite!"

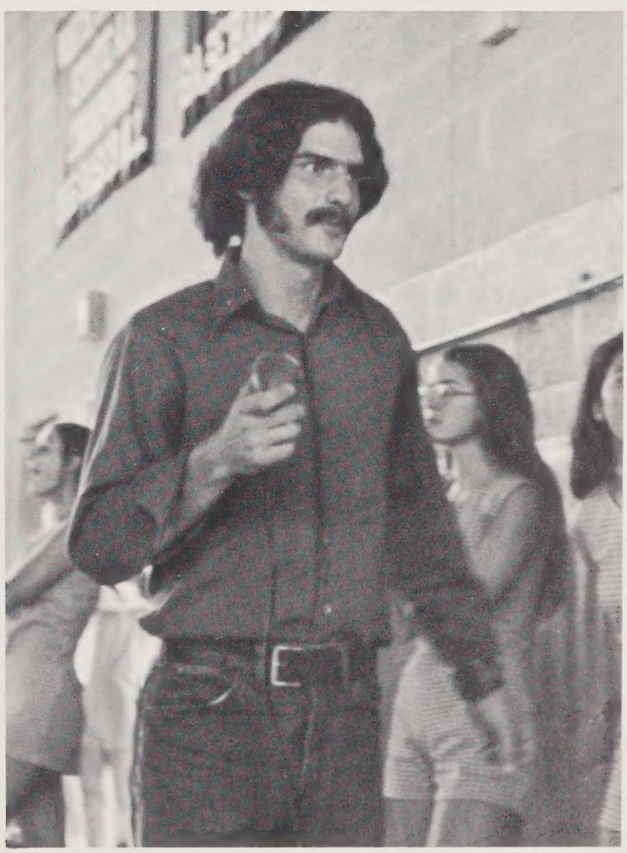
"I won't bother to speak to her again!"

"Dudley's Dummies."

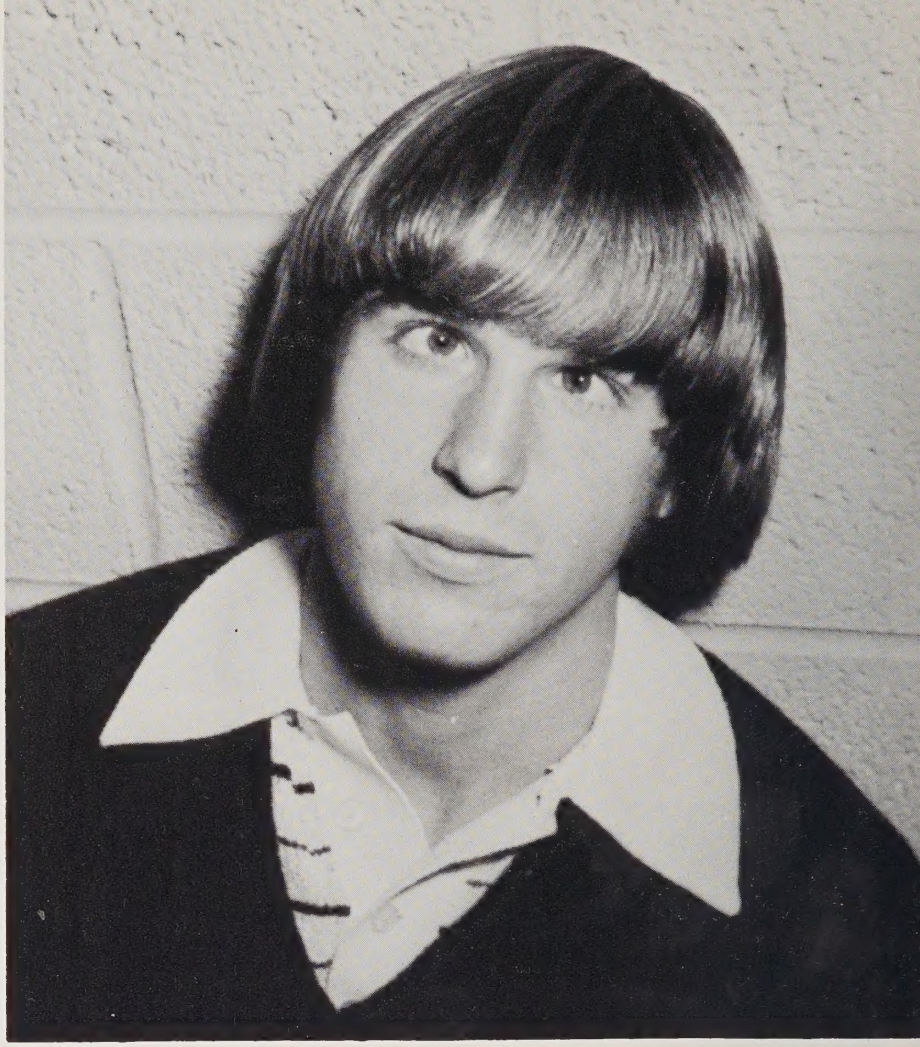
"Will you look at that!"

"Scope, once a day helps, Guy."

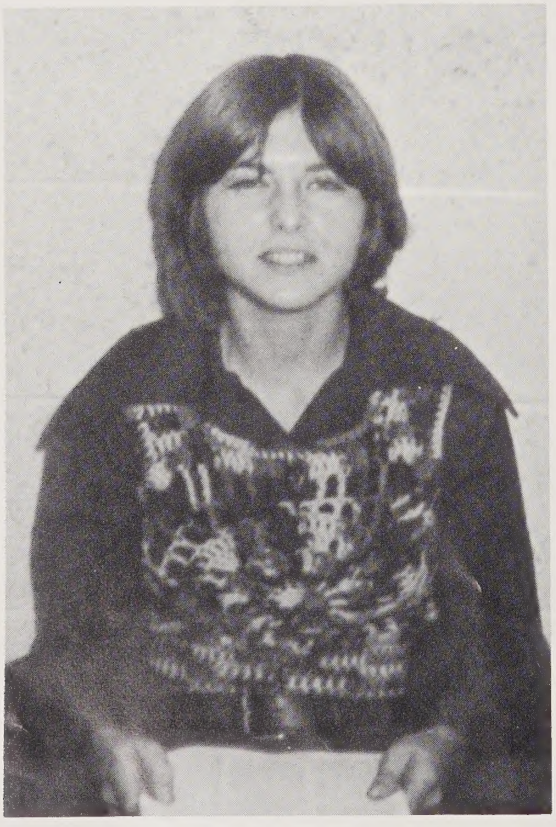
"My fellow Americans . . ."



"But we're 'Daddy's Darlings'!"



"Are you sure there's something on my nose?"



"Lesson Number One: Meditation!"

"How about a date, cutie?"

"Don't bug me. This is my nap time."

"Kiss me baby, kiss me!"

"Just go away!"

But you're doing it all wrong!

Are you sure?

Do you really think I'd lie to you?

You've got to be kidding!

Does it come in a different flavor?

Up, Up, and Away!

Are you sure this is the way to drink water?

Student life at North is just that—life, living, listening, talking, eating, walking and a little worrying. There's working too but really just lots of plain relaxing—and having fun!

Students Benefit From Summer Sessions

Future archaelogist Charles Hatley went to Clarion State University in Pennsylvania to participate in a nationwide science program.

Donnie Everhart represented Davidson County in the 1972 Resource Conservation Workshop at N.C. State.

Senior Barry Flanner returned home winner of a first place trophy after attending a wrestling camp at Appalachian State University.

Nordahi Co-Editors Teresa Black And Debbie Mize were present for a four day annual workshop offered at Appalachian. Teresa was also selected to attend a seven week summer program at the Governor's School of North Carolina.

Varsity Cheerleaders attended camp at Meredith College. They won three blue ribbons and one red ribbon, a plaque and a spirit stick. Wendy Koontz and Linda Wooten, Junior Varsity Cheerleaders were also present for Meredith's summer session.

Gettin' It

Vacation was fun but all too soon it was over. N.D.S.H. opens its doors in anticipation of its returning 800 faces — some new — some old with summer-fresh tans — all hopefully happy and ready to go to work.

After the initial rediscovery of old friends and writing of at least one theme on "What I Did During My Summer Vacation," the year's routine is set and students settle into the time-worn pattern. It is a pattern, however, that the students at North have learned to enjoy.

All too soon the excitement of those first football games, the glory of the homecoming game, and the crowning of Teresa as queen, is gone. Miss North Davidson has already been chosen. Basketball players and wrestlers take the spotlight for awhile. This too passes by all too swiftly. Christmas comes and goes. It snows and there is no school for a whole week. Then come midterm exams.

Sophomores talk of the winning Junior Varsity basketball team. Juniors work on the Junior-Senior Prom and talk of class rings. Seniors talk of "Macbeth" and graduation. Spring vacation goes. Track and baseball are the talked about sports. Summer approaches and thoughts stray.

The end of another school year awaits — the same as always, yet different. There is happiness and sadness; an ending as well as a beginning. 1972-73 — It has been a very good year.

That long and winding road.

If I hurry I might make it on time.

Hey, look! It's Mom!

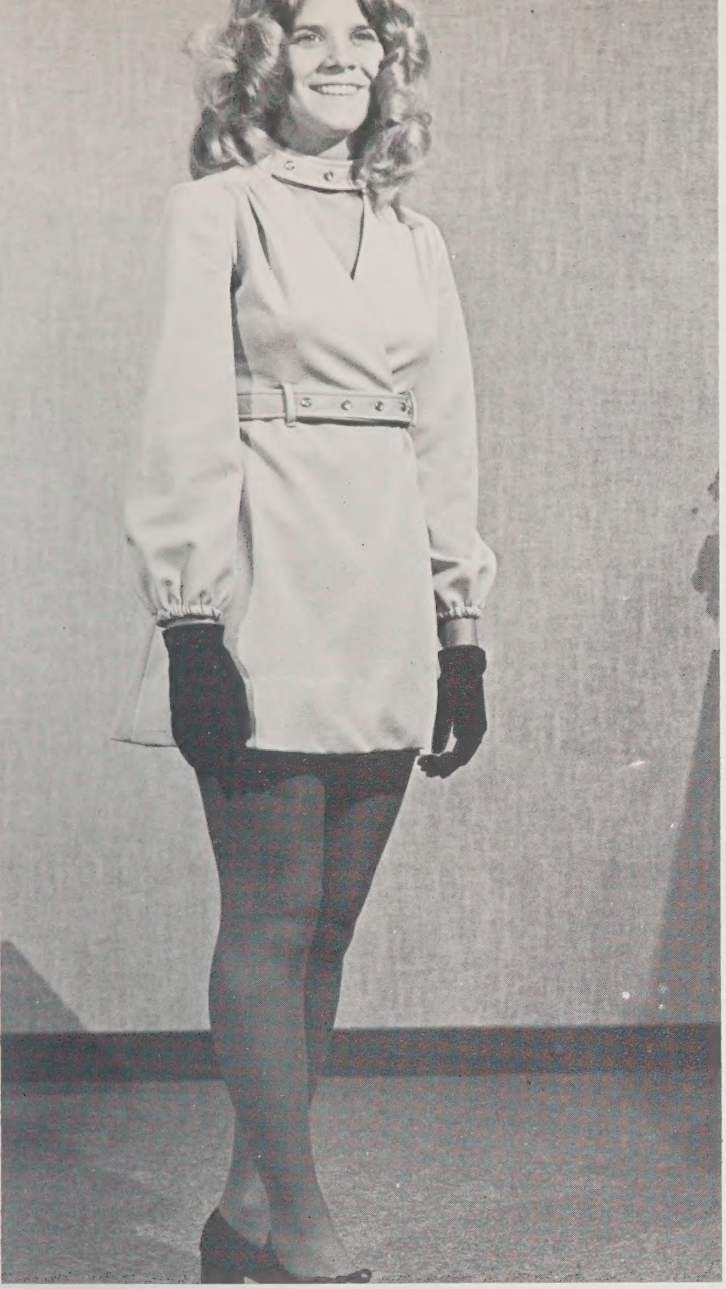
Together Again

"This beats sitting in a hot classroom!"

"If I plan to keep them here I better lock the door!"

"It's hotdogs again!"

Miss North Davidson — Jamela Latham



Chosen from fifteen candidates, one girl is named Miss North Davidson 1972-73. We know her as Jamela Latham—the cute blond with the big smile. It's on to the County Fair and another contest. Girls from six schools compete for the title of Miss Davidson County. Jamela is poised and represents North Davidson well. Her question is drawn. It's tough, "Do you believe prayer should or should not be left out of schools?" Her answer is firm. She hears the applause of classmates. It's another honor. Jamela Lathan is named first runner up to Miss Davidson County. She smiles — a real queen.

Homecoming Queen — Teresa Black

" . . . and your Homecoming Queen for 1972-73 is Miss Teresa Black . . ." As her name is called a stunned Teresa and Dan Craver leaves the ranks and move to centerfield. There is applause. She accepts her crown and the beautiful bouquet of gold. She strolls before the spectators and then walks back to Dan. He kisses her cheek. She smiles and smiles — Teresa Black, Homecoming Queen.

The Contestants

Reida Clodfelter-1st Runner-up, Miss North Davidson

Vicki Billings

Fifteen girls were selected from Senior homerooms as contestants for the Miss North Davidson pageant. These girls were doubly honored as they, along with their escorts, also made up North's Homecoming Court.

The court is one traditional scene that in combination with the parade, Pep Rally, and game, make up the total picture that is Homecoming. There were preparations — so many. Game night finally arrived. It was cold. There was excitement — corsages pinned on with trembling hands. Halftime came and our queen was crowned. It was over. The 1972-73 Miss N.D.S.H. contestants and homecoming court is now just thirty people who sometime during all the practice sessions, learning from Miss Barney "how to walk", and listening to Mr. Bemisderfer sing "Moon River", became friends.

A Wet but Beautiful Homecoming

What can be said of Homecoming 1972-73? That it was successful? It was.

There was honor. The senior ballplayers selected sponsors and were recognized on field.

There was a game. Knights stomped North Iredell with a score of 36-12.

There was a court. Fifteen senior girls and escorts brightened the yard lines at halftime.

There was a queen. One girl secretly chosen by the football players was made happiest of all.

There was a dance. Students gathered to celebrate.

There are memories. There was sadness for seniors for it was their last and perhaps best Homecoming at N.D.S.H. There were good ones for sophomores and juniors who have dreams of bigger and better homecomings. And there are happy memories for everyone at North because our theme for Homecoming 1972-73 rang true — "When you say Knights, you've said it all."

NORTH

"Our Team Was Better Than the Record Indicated"

Coach P. Jones

North Davidson's varsity football team overcame a disappointing start to finish the season with only one loss in their last five outings.

The team, consisting of 19 seniors, 9 juniors, and 3 sophomores, closed out the season with a 3-6-1 record. However, three games were lost by a touchdown or less. Highlights of the season were their upset victory over Davie County, their other conference wins over North Iredell and North Stanley, and their fine showing against the Lexington Yellow Jackets.

Mike Maxwell and Gary Chisholm represented the Knights as co-captains and made outstanding contributions to the team.

The J.V. football team had a most disappointing season. Their 1-8-1 record, however, was not indicative of the hard work put forth by the team. After being trounced by Lexington in the opening game they played spirited football and won the last game of the season.

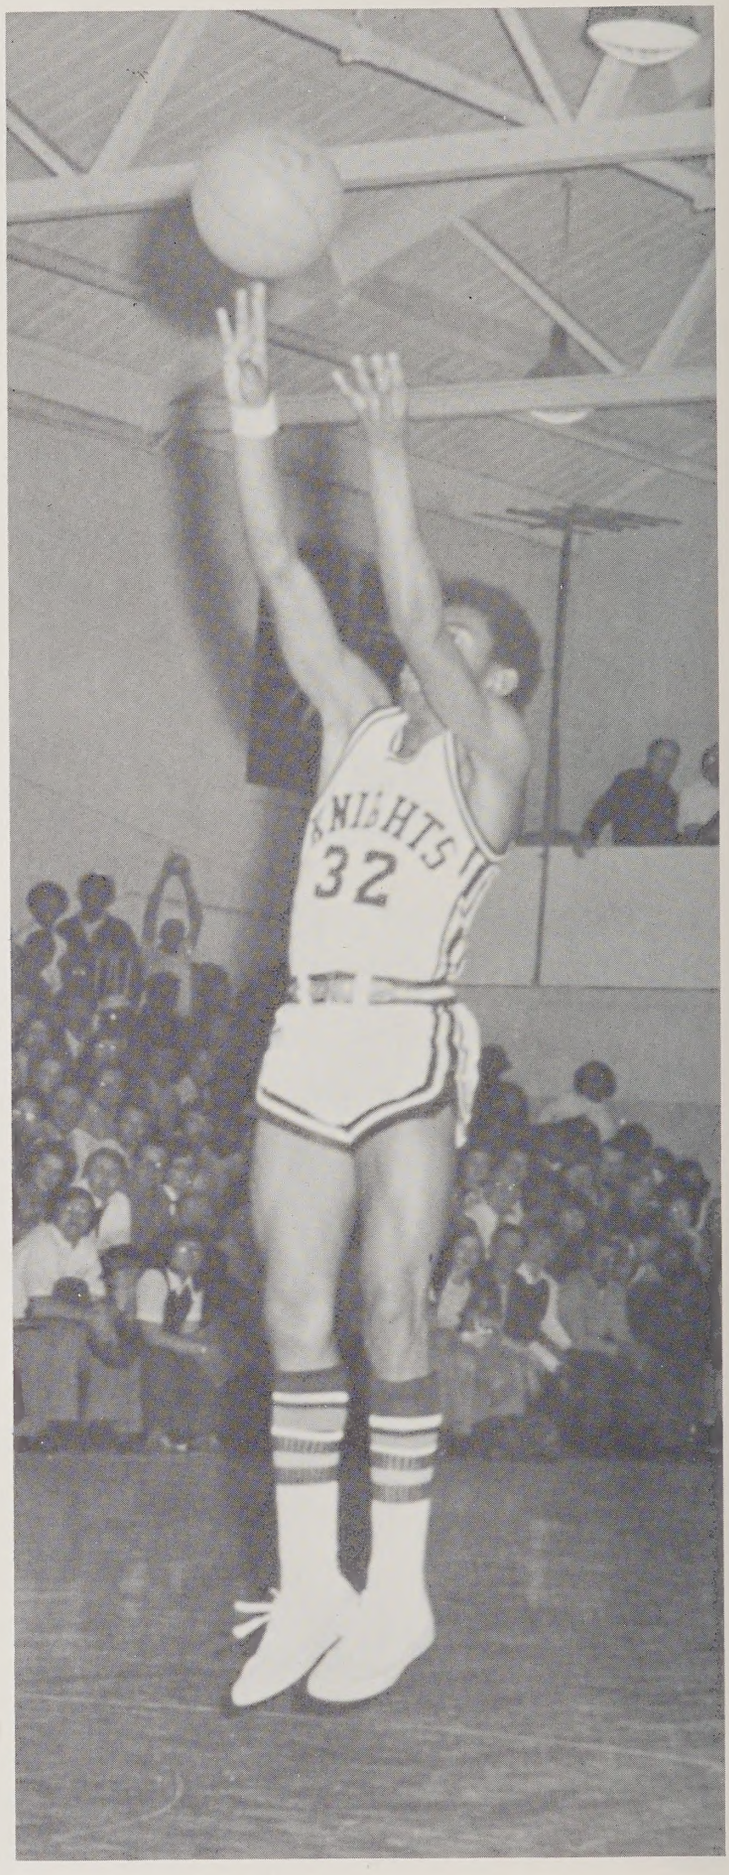
Knights Win Ten Games in a Row



Picked to finish fourth in the conference, the Varsity surprised everyone by winning their first ten games and sitting on the top spot in the North Piedmont Conference before bowing to West Rowan. During this stretch the Black Knights were ranked second in a poll of all Northwest North Carolina High School Basketball teams. This streak also included a 66-56 decision over Central in the Greensboro Coliseum.

The Knights were led by Junior Johnny Hayes with Dee Ray underneath. Other starters that contributed greatly to the team were Mike Maxwell, Rolland Pugh, and Jesse Lyons. Mike Sink and Leland Cabbell gave added bench strength and responded favorably when called on to play by Coach Jones.

Lettermen Hayes, Sink, and Lyons will return and with addition of players from a strong J.V. team should do well in the oncoming year.

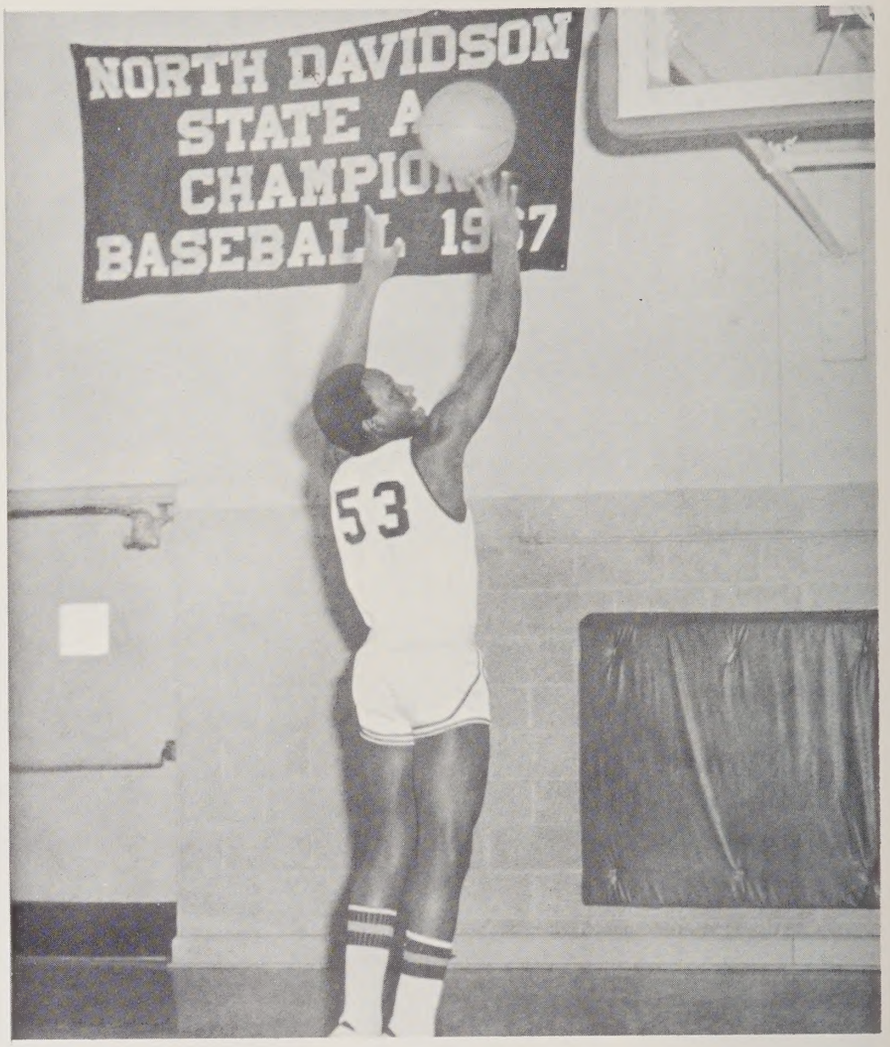
Junior Varsity Romps Past Opponents



Our Junior Varsity Basketball team was one that will be remembered. Much talent was displayed on the playing floor. Coach Hartley combined the speed and skill of his players to open the season with nine wins in a row before bowing to North Rowan. Coach Jones was well pleased with the J.V.'s performance and should use many of the J.V. players on the Varsity team next year.

Lady Knights Improve Record With Hustle

This year North produced the finest girl's Basketball team the school has known in recent years. After compiling a 2-1 mark against arch-rivals Central Davidson and Ledford, the Lady Knights prepared for conference play. Although the girls got off to a somewhat slow start, the came back and played well enough to win a spot in the post-season tournament. With only three seniors leaving this year's squad and with several returning lettermen, North's hope for the future is a bright one.

Varsity Cheerleaders Show

North was once again represented by an outstanding varsity cheerleading squad. The squad consisted of ten girls, all individuals, yet all united to support the mighty Knights.

Cheering at Pep Rallies, selling spirit chains, riding in parades, guarding the victory bell, smiling and making others happy were all part of their duties.

Whether victory or defeat, the cheerleaders never failed to show sparkle and true spirit. Our varsity games would not have been complete without the support of our dedicated cheerleaders.

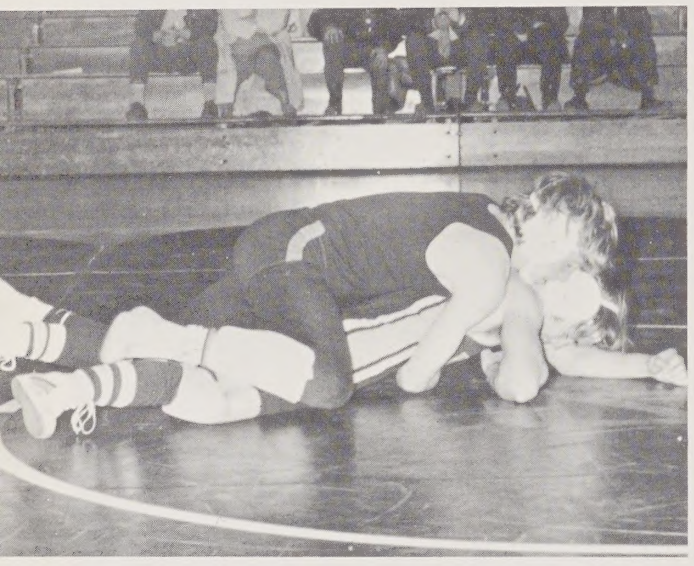
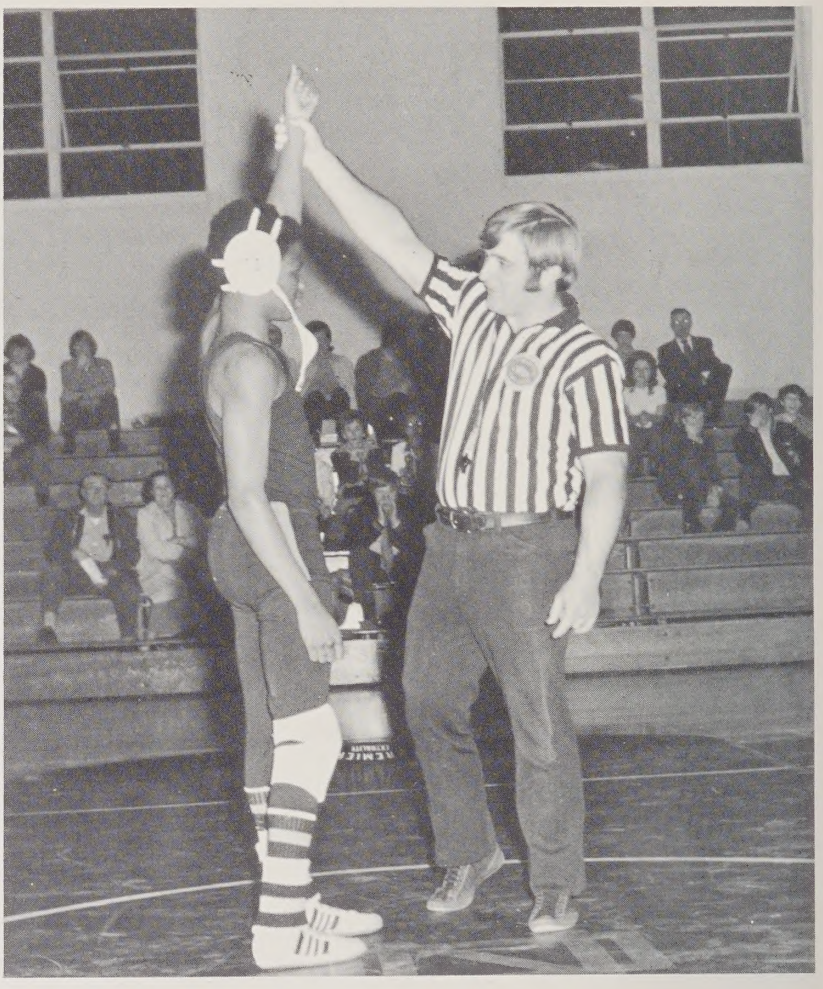
Lack of Depth Hinders Wrestling Team





Lacking depth in the upper weights and having to forfeit in the lower weight classes made the wrestling season a little long. The wrestlers never gave up, though, and the Black Knight strength in the middle weights gives promise for the future.

North's baseball team continued its winning tradition with a 14-5 record. The season produced a 10-0 no-hitter along with three all conference players. After starting the season with seven straight wins the Knights were stopped by East Rowan in an extra inning game. Four of the five Knight losses were in the last inning or the extra inning.

The highlight of the season was North winning the First Annual Davidson County Baseball Tournament which was held at North. The tournament ended with the Knights taking a 3-1 verdict over arch-rival Lexington in the championship game.

Intramurals Break Classroom Monotony

Monogram Club Honors NDSH Lettermen

During this year the Monogram Club has offered the lettermen of North Davidson a place to become more involved in the spectrum of athletic activities. Bringing together members of the football, wrestling, baseball, basketball, and track teams into one single unit with a common interest has provided a time-consuming task for the sponsors, Coach Hinkle, Coach Palmer, and Coach Jones. Programs during the year were centered around the development of well-rounded individuals.

Pep Club Socks It to 'Em

The Pep Club, sponsored by Mr. Crawford and Mr. Breitenstein, has placed major emphasis this year on the creation and growth of school spirit. And the Beat Goes on . . .

Even though small in number, the band has proven itself a necessary segment of the puzzle which signifies North's total picture. Their representation in parades and at football games has been helpful to the spirit and enthusiasm of the student body as a whole. Majorettes Twirl to the Beat of the Band

Under the direction of chief majorette Donna Hunt, the majorettes have added beauty to every event in which they have participated. They have been an integral part of the band, yet they possess qualities that make them unique. By performing in parades and at all football games, as well as presenting programs at half-times and pep rallies, these twelve girls have had a tremendous effect on the spirit and pride of the student body.

Jr. Civitans Reward Member With a Scholarship

During this year, the major emphasis of the Junior Civitans Club has been the development of beneficial citizens for the future. The club's activities have included guest speakers, slide presentations, and services to the school and the community. The scholarship of one hundred dollars given to a deserving club member was the "grand finale" to their efforts.

Amateur Scientists Probe the Secrets of Nature

As a dedicated group of young scientists, the Alpha Beta Gamma members have broadened their enjoyment and knowledge in many fields of science and nature. They have done so by forming small groups, each studying and researching a part of the world around us. Each month, one of the groups gave a presentation of their project. This series of planned programs made every meeting important. Composed of Juniors and Seniors, the club activities were also designed to lend enrichment to the science courses in which members were already involved. Mr. "B" was always there to help in their search for the benefits science can offer.

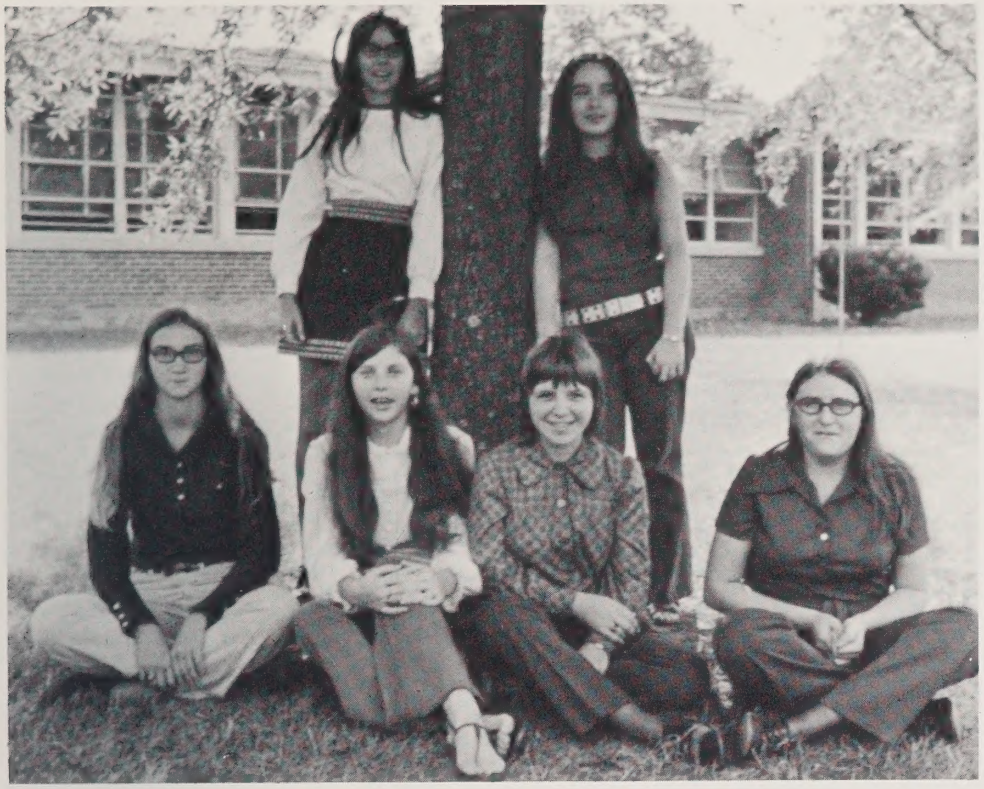
In an effort to become more involved with the world of science, members of Alpha Bi Sci have been active throughout this year. Composed only of sophomores, this club added much interest to the regular Science classes. Mr. Doby and Mr. Hyatt, sponsors of the club, provided the scientific know-how which was the foundation for the success of this organization.

Officers — Randy Turner — President, Martha Fritts — Secretary, Mark Conrad — Vice President.

Media Club Says Sh-h-h!



Throughout this year the members of the Media Club have made a special effort to encourage good reading habits within the student body. By observing National Library Week, hosting a tea for the teachers, and holding regular meetings every month, the club kept active. Each member was given the opportunity to share in the responsibilities of running a well-organized library..

Forensics Tells It Like It Is

The group of people involved in Forensics, ably directed by Mrs. Revelle, have been busy this year learning the art of making interesting and correct speeches. Their participation in the speech tournament, hosted by North this year, gave the student body good reason to be proud of this small but active club. In these photographs, the club members prepare for competition through hard practice.

V.I.C.A. "Makes It Happen"

This year, as well as in the past, V.I.C.A. has offered the students a chance to gain vocational experience while they are still in school. This service has proven to be invaluable to many members of the student body, especially since it also brought in welcome, and sometimes necessary, income. Mr. Stoner and Mr. Easter, acting as sponsors, have been of great help, both in securing a part-time job and also arranging full-time work for seniors after graduation.

FBLA Explores the World of Business

Working closely with the business department, the Future Business Leaders of America have tried to "sample" various opportunities in business in order to make the most out of the future. The club members have made tours of several firms, thus increasing their knowledge and improving their chances of obtaining a job after graduation that they could truly enjoy. Mrs. Boles, the club sponsor, was always present to give advice and assistance.

Knight News Entertains and Informs

The effort behind each edition of "Knight News" has provided ample proof of the Journalism Staff's dedication. Planning for careers in the field of medicine has been the major objective of the Medical Careers Club. Their activities this year, such as touring a hospital and making gifts for the residents of local rest home, have been designed to prepare them as fully as possible for the future. However, the members have also participated in school functions such as the Homecoming Parade, giving proof of their involvement with the school as a whole.

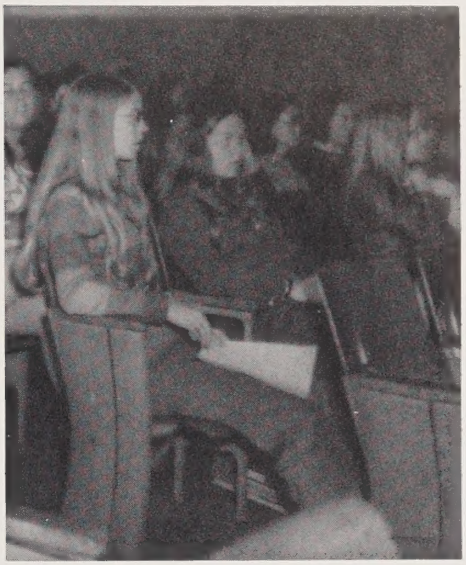
Officers: V. Pres., Donna Walker; Pres., Robin Shoaf, Sec., Rhonda Walker; Rec. Leader, Marilyn Barker; Treas., Gay Weisner; Parliamentarian, Jorene Hinkle. Not pictured: Sherry Biesecker, Historian; Cynthia Carter, Rep.

This year has provided the opportunity for F.H.A. members to combine fun with hard work. As a result, they have successfully fulfilled their motto, "Toward New Horizons." Realizing that the family unit is the center of civilization, the club has coordinated its activities with the Home Economics program in an effort to prepare themselves for their futures as vital individuals in society.



Future Farmers Learn Through Participation

The F.F.A., one of the largest organizations within the school, has played a major role this year in the activities of many students. The varied and meaningful projects of the club, such as the State Fair trip, the F.F.A. Parent-Student Banquet, and the F.F.A. Picnic, have provided ample apportunities for each member to participate. Their success in various F.F.A. Contests against other schools in Davidson County made North Davidson proud.

Concerts Add Spice to Chorus

Improving their singing skills and learning basic musical techniques have been two of the major objectives behind this year's Chorus. Under the direction of Mr. Olsen, this group has become an organized and necessary part of the curriculum. By presenting concerts for the student body, they have served their school well.

Tournaments Hilight Chess Club Activities

The Chess Club, a newly formed, highly active organization, is one of the largest clubs at North. The sponsors, Mr. Hartley and Mr. Freeman, have kept the club members interested and have supplied them with helpful advice. The touranments held during club meetings have given the club members a chance to compete and match their skills.

Art Club Stimulates Creativity

Bringing a touch of cultural integrity to North, the Art Club has given the student body a widespread idea of the types of art popular in today's society. The Art Show, sponsored by the Club, brightened the court with all the colors, styles and ideas imaginable. Together, they gave the expression of individuality North is noted for.

Bus Drivers Keep School Rolling

Officers: Sec., Ann Cline; Treas., Marsha Leonard; V. Pres., Pete Essick; Pres., Dee Ray.

One of the most essential organizations, the Bus Driver's Club, has been extremely important to the school schedule. The members of this club transport over half of the student body to and from school every day. Their dependability and safety has been vital to the total efficient operation of the school.

F.T.A. Gets Classroom Experience

North Davidson's chapter of the Future Teachers of America has been busy this year making every moment count. By acting as teachers' aides for Welcome Elementary schoolteachers for three days every week, they have gained valuable experience. This program gave members an insight into what opportunities and benefits the field of teaching can hold. Miss Barney, the club sponsor, provided the binding force which gave all of those involved many chances to make their time worthwhile. Of course, the club members also found satisfaction and enjoyment in the success of their efforts.

A Small Group Lends a Great Service

Even though they are few in number, the dedicated group of students who have served the school this year in various ways have been greatly appreciated. Their job here at North was a large one, but they kept the school running smoothly. The "pour boys" turned out to be "rich" in talent; they were invaluable to the student body. The flags seen every day would not have been there without the effort of the members of this select group.

Black Masque Finds Expression In Performing

Presenting a play, writing and acting their own skits, and just enjoying themselves, the members of the Dramatics Class and the Dramatics Club have spent a busy year. The class, composed entirely of Seniors, was backed by the Sophomore and Junior club members. *Enter Laughing,* a delightful comedy, kept these actors and actresses well involved. Their activities provided an ample chance for each person to gain an insight into the art of acting.

Good Sportsmanship Is the Goal of F.C.A.

The Fellowship of Christian Athletes, better known as the F.C.A., has provided a center of friendship and understanding for those involved in Athletics here at North. Their activities have been school-oriented, and they have supplied spirit and enthusiasm. Their sponsor, Mr. Doby, has been of great help throughout the year.

In an attempt to bridge the gap between blacks and whites, the Human Relations Committee has worked to bring about peace in this area as well as in the feelings between the classes. Mrs. King and Mr. "B", sponsors of this organization, have tried to serve as moderators only for the serious discussions carried on in the club meetings. Their advice, given only when asked for or needed, has supplied the guidance necessary to make these meetings and what has resulted from them beneficial to the social life within the school as well as outside.

Honor Society Recognizes Outstanding Students

Striving to make the most out of every opportunity has been an outstanding characteristic of the members of the National Honor Society throughout this year. Their number, though lessened by the graduation of last year's seniors, was strong and alive when school began in the fall. After the fall and spring tappings, several juniors came into the club. These people are regarded as having the four characteristics necessary for entrance — Scholarship, Leadership, Character, and Service. The activities of the organization this year have been aimed at the upholding of these traits and the upbuilding of school pride.

Unified Voices Speak Out

The student body takes great pride in its ability to govern itself, and this fact has been made evident through the activities of the Student Council. Their money making projects such as the Halloween Carnival have been aimed at improving or adding to the facilities at North. The Council also has a humanitarian aspect, shown by the party for the residents of the Children's Home in Winston-Salem and the canned food drive for the needy.

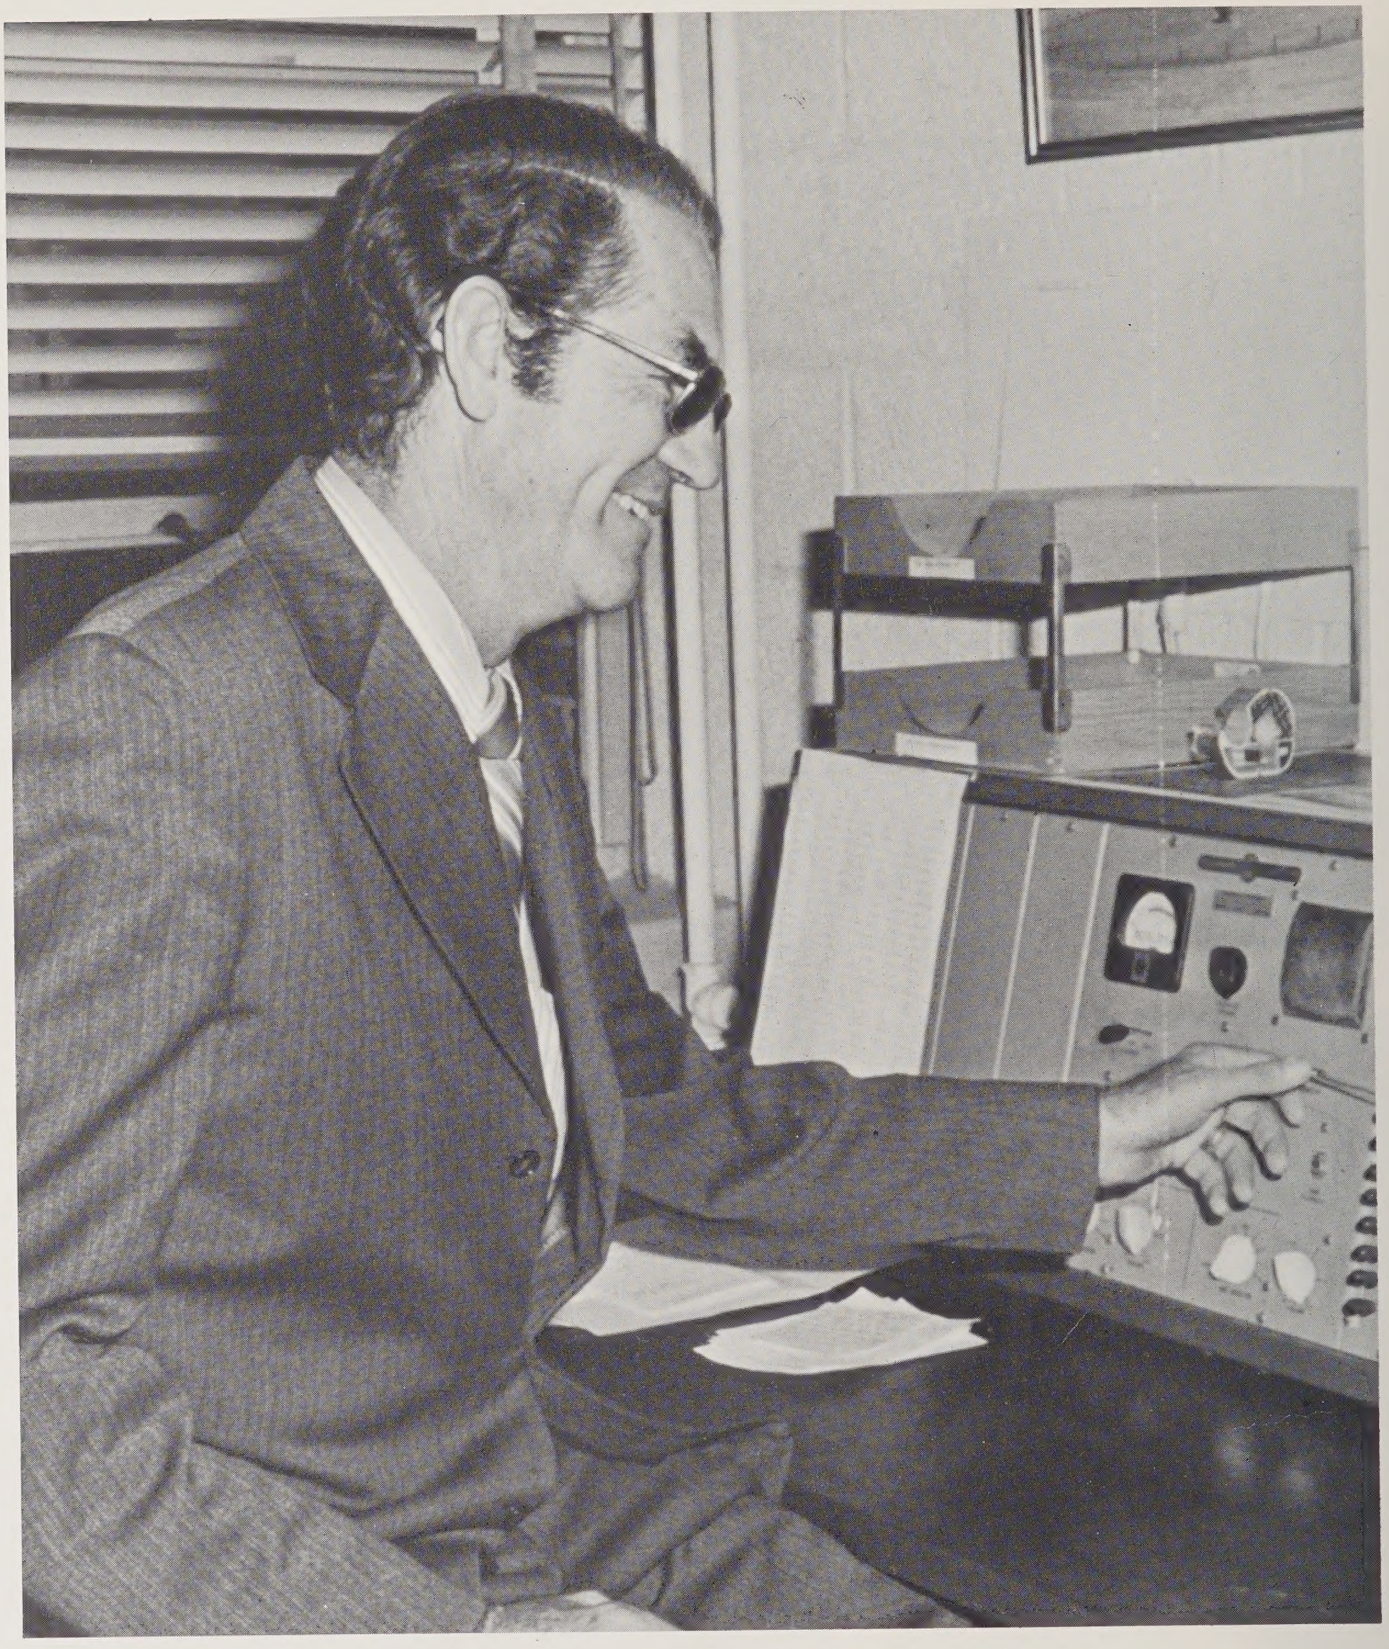
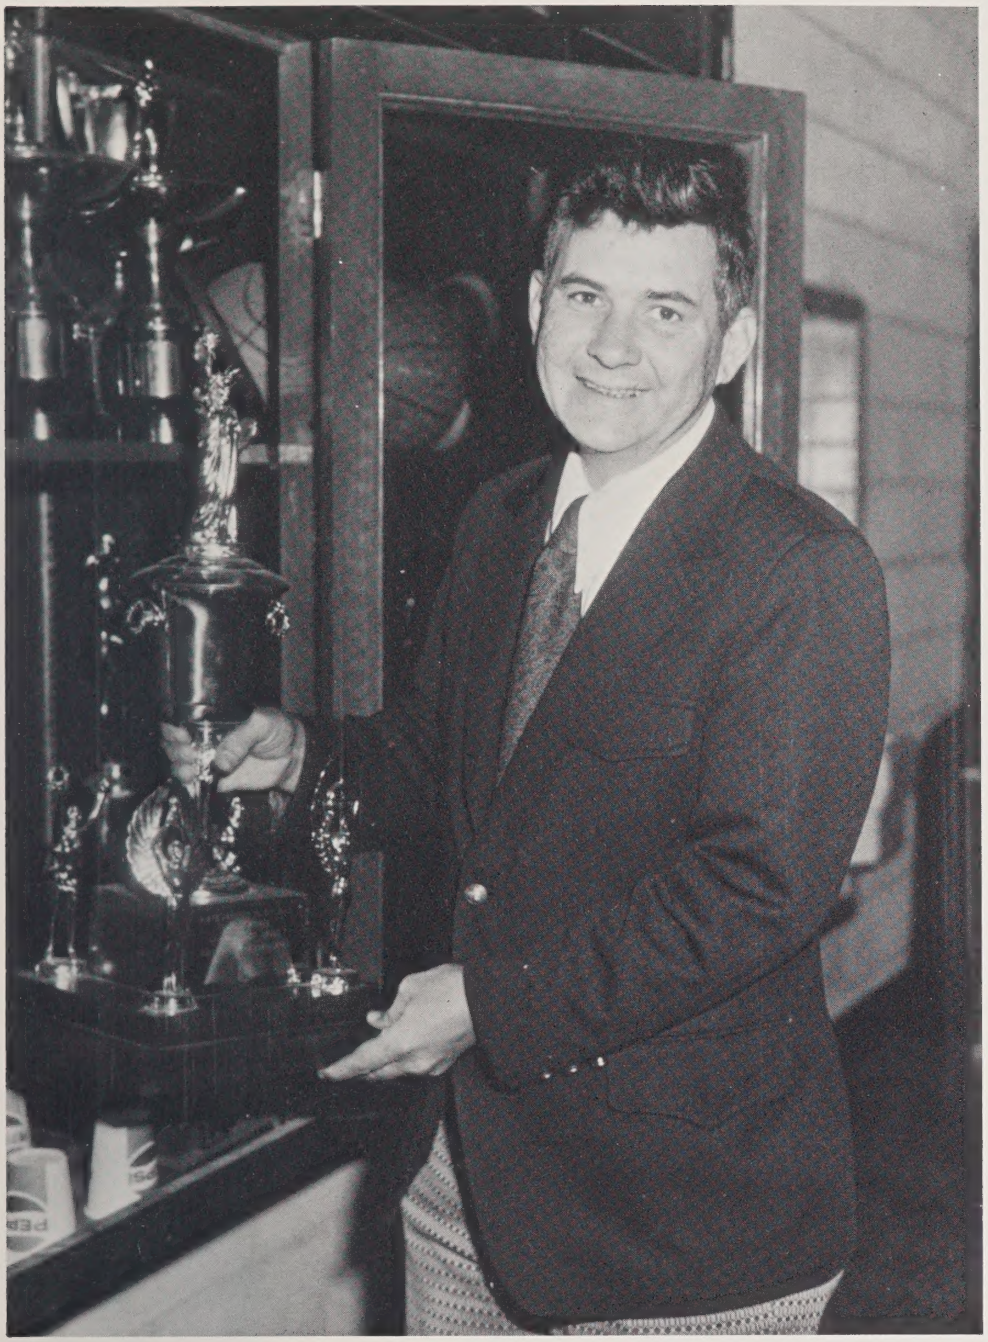
An Involved Administration Strives



"We are ever striving to stay abreast of the rapidly changing times, making whatever necessary changes an additions to make our institution one of the best."

JAMES O. TEAL

to Meet the Changing Times



Since the 1961-62 school year, Mr. James O. Teal has served our school striving to make our curriculum more practical for the students.

He has witnessed such events as the presentation of three Morehead Scholarships, the establishment of a three year Senior High program, and recognition by state and national honors for individuals and departments. In the past eight years, the graduates have been awarded between $52,000 and $102,000 yearly for scholarships.

Mr. Teal is now administrative head of thirty-five qualified teachers. A master's degree is held by more than one-third of the teachers.

Mr. Don Palmer has been assistant principal, coach, teacher, and athletic director over a span of sixteen years. He has had the patience to form each student's schedule and readjust it later if needed. For the past two years Mr. Palmer has been named "Coach of the Year" in the North Piedmont Conference. As assistant principal and coach he strives to establish "better communication between students and administration."

Mrs. Barbara Berrier for twelve years has been office secretary. She is always available to assist students, faculty, or visitors.

Communication Stressed in English Classes

The NDSH staff would not be complete without indispensable Mrs. Virginia Revelle. She has taught such subjects as Economics and Sociology, U.S. History, English II, III, IV and V. Mrs. Revelle feels that "through their reading, students gain experiences they may never have the opportunity to live themselves."

Mrs. Robert E. Motsinger, Jr. is an experienced teacher in English and Social Studies. She encourages "students to see the value of an education as a means to a better future."

For many years, Mrs. Ralph Proto has actively taught North Davidson Juniors English. Now she is also teaching U.S. History. She enjoys teaching, which makes Mrs. Proto's students appreciate her devotion.

Starting her second year at NDSH is Mrs. Bunnie T. Dorsett, who is known for her warm personality. Mrs. Dorsett believes that "foremost in successful teaching is to let the students know the educational objectives you have for them and provide effective learning experiences to assist student learning."

"Artist in residence" is Mrs. Mary Lou LeGette who has an Art and Journalism class although she is primarily an English teacher at North. The Art Club under her sponsorship presents two paintings annually to the now established gallery.

One of the newer additions to our English department is Mr. William Hartley. He teaches English II and III.
Mr. Hartley emphasises that each student should "put forth a truly honest mental and physical effort."

"I try to make students realize and understand the need ro learning."

MRS. RALPH PROTO

"I've never met a student I didn't like — but I'm not really concerned about what students think of me. I am concerned about what they will think of me ten years from now."

MRS. VIRGINIA REVELLE

Industrious Teachers Promote Language Fluency

A young and lively senorita, Miss Ellen DeLapp, teaches Spanish. Her youth and spirit make it easy for her to communicate with her students.

When seeking a French teacher, NDSH went all the way to Paris to find Mrs. L. Payne. This attractive new faculty member not only teaches French but realistically teaches the art of acting to her dramatics class.

Lab Experiments and Excursions Increase Student's Enthusiasm

Heading the science department is Mr. "B", versatile man or as his students would say "he has a lot of serendipity." Under his leadership the science department has received numerous honors, awards, and recognitions. Mr. Bemisderfer is also active in other phases of the school and community.

NDSH's only female science teacher is Miss Brenda J. Vickers, who adds charm and beauty to the vertebrates and atoms. Her artistic and musical talents make her one of the most versatile people on campus, and her creativity and industry as sponsor of the annual have endeared her to staff and students.

Mr. Roger Hyatt represents the fact that "you always come back to a good thing.' He is a former student returning as a chemistry and math teacher. The students recognize Mr. Hyatt by his friendly personality and his "complete" tests.

North's biology teacher is Mr. Wiley J. Doby. He is a graduate of Wake Forest University. Mr. Doby is currently serving our country as a member of the National Guard. He also coaches the Junior Varsity Football team.

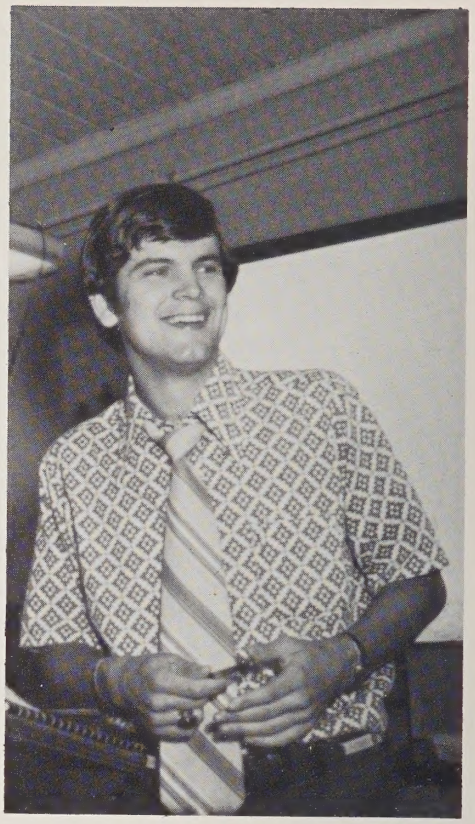
TOP RIGHT: Mr. Doby, *BOTTOM LEFT:* Mr. Roger Hyatt, *MIDDLE:* Miss Brenda Vickers, *BOTTOM:* Mr. Bremisderfer.

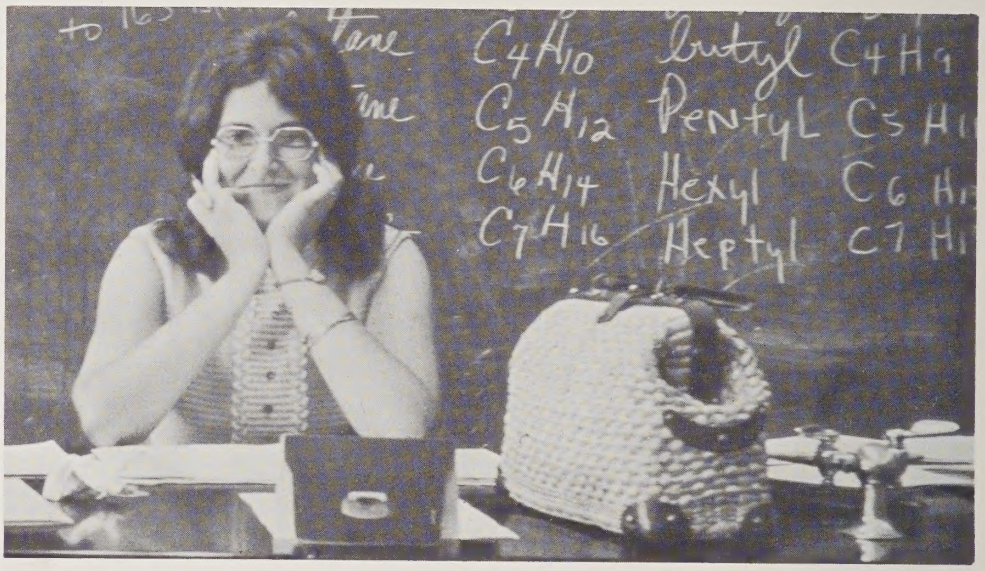
"We will someday find our personalities have a deep rooted heredity and they are not as dependent upon the environment as we now think. Therefore personalities are not as easily changed as we believe."

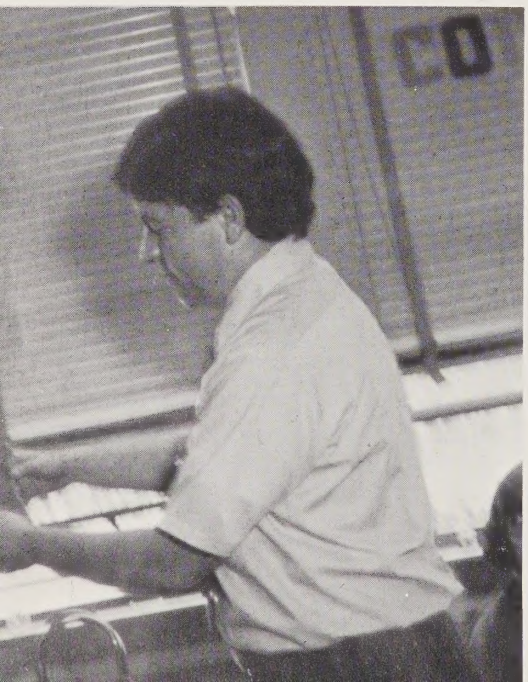
MR. G.J. BEMISDERFER

"The laboratory approach is the only way to introduce students to the sciences. They learn to solve problems by orderly investigations which may even be used in other areas of life."

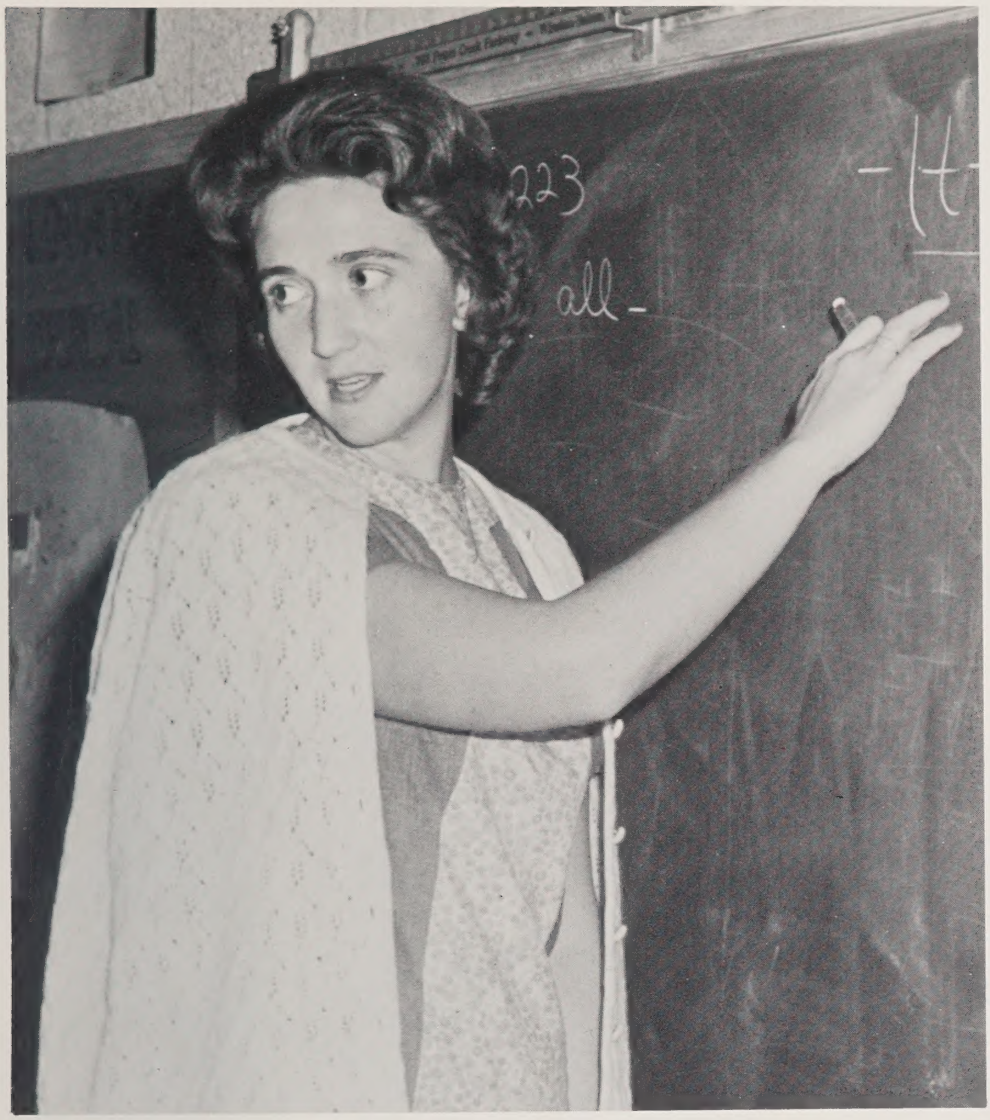
MISS BRENDA J. VICKERS







Math Conquers the Computer Age



If someone stuck his head in a room which hums with knowledge, he would know he were in Mr. Alexander's class. He teaches Geometry and Advanced Algebra. Mr. Alexander is an experienced teacher who heads the Math Department.

Have you heard this before, "Anything worth doing, is worth doing well." If you have Mrs. Mary Payne for a teacher in Algebra I, II, or Geometry, the quote is quite familiar. She tries to prepare her students for the future and lets them know what an achievement it is to work a long and difficult problem. Mrs. Payne wants students to know that what is in a book is not all that's important for the future.

TOP LEFT: Mrs. Mary Payne, *BOTTOM:* Mr. Alexander.

"Orderly growth takes place when people reason intelligently."

MR. LEWEY ALEXANDER

"To me an education is more than what is in books. It is learning how to live and work together for the good of all."

MRS. MARY PAYNE

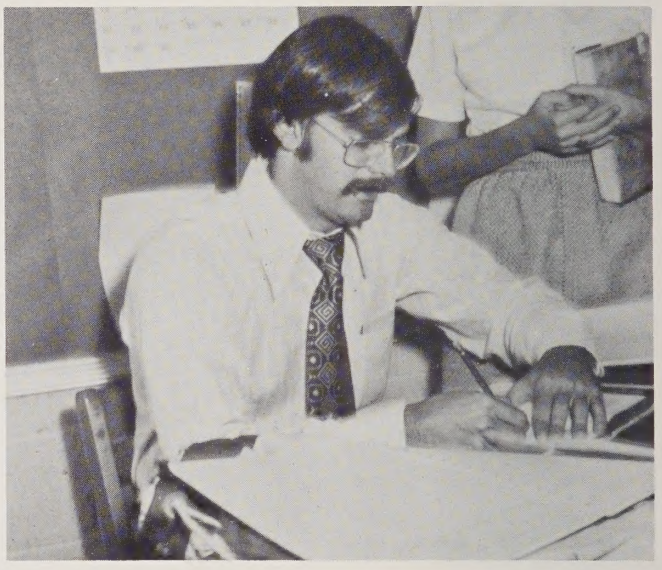
World Affairs Concern Students Taking History

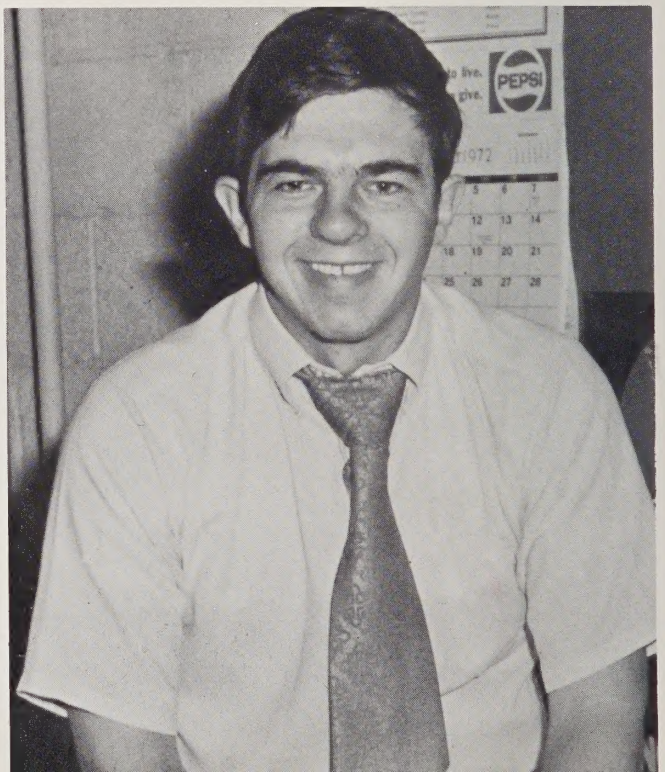
North's new World History teacher is Mr. Randall Freeman. Instead of daily lectures, his classes include a variety of learning experiences.

Mr. Banks Evans presents United States History, Economics, and Sociology in an interesting atmosphere. He encourages his students to be aware of the world situations which influence their lives.

One can characterize Mr. Breitenstein as teacher, coach, and friend who shows a genuine interest in his students. Mr. Breitenstein is also one of the attractive elements that makes up our school.

Mr. William Crawford, through devoted effort, has added to the curriculum a new study, Minorities. To overcome the hum-drum study of dates and places in United States history he presents the people and events that are omitted in some text books but that are a very important part of our past and present.





TOP LEFT: Mr. William Crawford, *TOP RIGHT:* Mr. Banks Evans, *MIDDLE:* Mr. Steve Brietenstein, *BOTTOM:* Mr. Randall Freeman.

Careers Molded in the Business Department

Mrs. Gerotha Boles teaches Bookkeeping and Business Math, necessary courses for students entering the business world. She is also sponsor for FBLA.

The students and faculty often rely on the helpful assistance of Miss Maggie Lou Barney. She supervises Directed Business Occupations and a new Office Practice Course. Miss Barney sponsors the Miss North Davidson pageant.

North's Typing I, II, and Shorthand teacher is Miss Ella Mathews. Besides teaching commerical studies, she is also business sponsor for the Annual.

Practical Experience Promotes

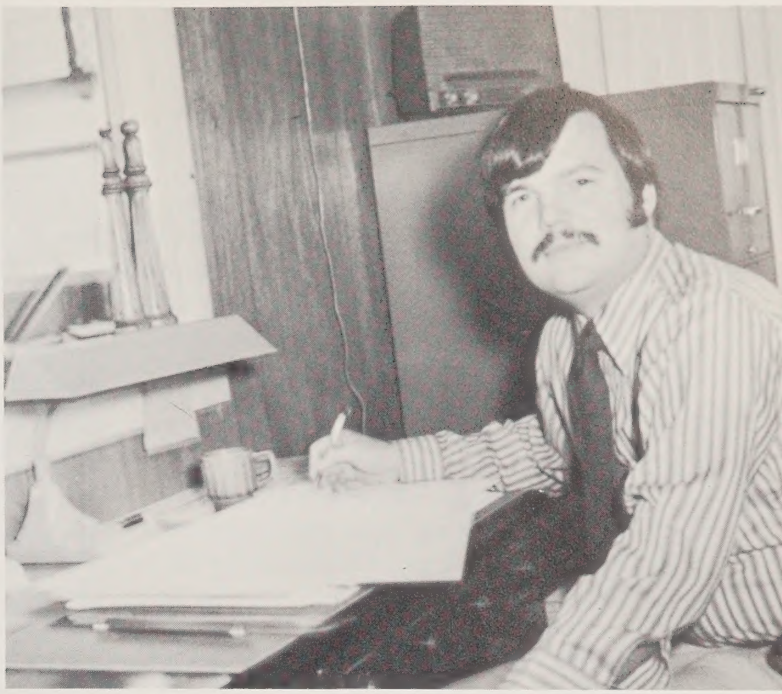
"We must teach students material which will directly benefit them in life . . . Students seem to be more responsible and to have more truth searching attitudes."

MR. FRANK STONER

"The best way to learn is by doing . . . I hope I can increase the number of activities which directly involve the students each year that I teach."

MR. TOM KEARNS

Student Involvement



At one time "AG" classes meant dirt farming. Today's students in Agriculture landscape yards, prune shrubs, and repair engines as well as "grow" things. Mr. C.R. Hill directs the horticulture program as well as classes in Agri-Business, while Mr. Tom Kearns holds classes in Agriculture Science and Power Mechanics. Under the leadership of these two teachers many district and state honors have come to this department.

A drafting course is offered to NDSH's students under the direction of Mr. Olen C. Easter. With his ability the students have been also offered trade and industrial education for a better future.

Mr. Frank Stoner teaches Industrial Cooperative Training. He devotes much of his time to the individual student stimulating them by motivation through enthusiasm, humor and a relaxed but disciplined atmosphere.

The "Susie Homemaker of North" is Mrs. Rosa Parker who guarantees enjoyment as well as learning in the art of cooking and sewing. Through her dedicated teaching Home Economics students gain practice experience in the art of homemaking and family living.

General Fitness Stressed by P.E.

Mr. Pete Jones devotedly strives to maintain a good physical education department at North. Besides being the boy's P.E. teacher, Mr. Jones is varsity football, boy's varsity basketball, and varsity baseball coach. He also supervises, aids, and referees intramurals for the boys. Mr. Jones is deeply admired and respected by both the students and faculty.

Developing students' physical ability is one of the main goals of Mr. Steve Hinkle. He coaches varsity football, girl's basketball, and golf. Mr. Hinkle is also referee, score keeper, pitcher and "any position needed" for North's intramurals. In sports and P.E., he always expresses the importance of sportsmanship.

RIGHT: Mr. Pete Jones, *BOTTOM:* Mr. Steve Hinkle.

"Physical Education is often regarded as an unimportant subject. I believe it is just as important as any subject in our curriculum. A person will not do a good job mentally if he does not feel well physically."

MR. PETE JONES

The Band and Chorus director at North is Mr. John Olsen. He works hard to make our band perform its best at football games, parades, concerts and any performances in which it represents the school. Mr. Olsen not only teaches but "plays" as a performing artist with the Charlotte Symphony Orchestra.

North's Guidance Counselor is Mr. Philip Rapp. His job requires hard work and human understanding. Mr. Rapp plays an important role in the seniors' preparation for college or work. His "bubbling" personality gives a lift to both students and faculty.

Mrs. Jeanne Hanes is NDSH's librarian. She tries to equip the Media Center with modern conveniences to complement the three curriculum areas at North. The selling of current paperback books by the Media Center is a helpful assistance to the students.

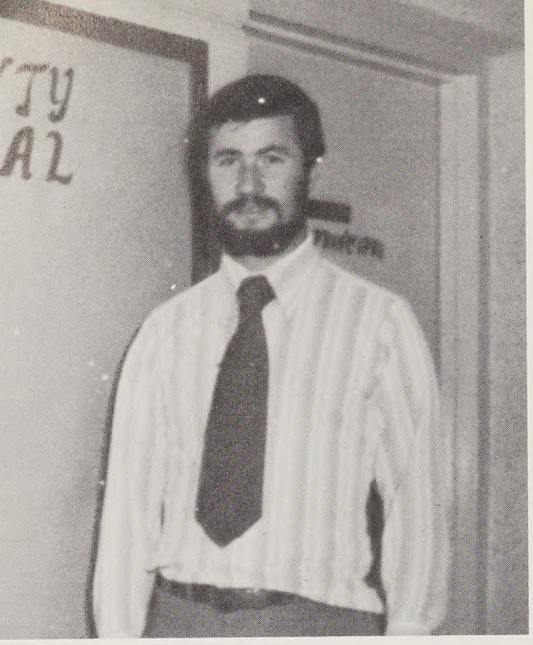
Guidance Music Media

"I can view education in its various perspectives having been a coach, teacher and guidance counselor. The observations which I have made have led to my recognition of the fact that the school and its ideas must change with the students."

MR. PHILLIP RAPP



The students and faculty of NDSH are fortunate to have Mrs. Millicent E. King as the Special Education teacher. Mrs. King's ability to relate to young people enables her to bridge the gap of communication. She treats each person as an individual and respects his individuality. As one of the sponsors of the Human Relations Committee, Mrs. King continually works to establish understanding in our school.

Mr. Carroll Spivey teaches Driver's Education to North's sophomores and juniors. He has nerves of steel and sometimes these come in handy when teaching a student how to drive.

Mr. Kenneth Sink converged from the "dangerous" life of a math teacher, to the "peaceful" career of a Driver's Education teacher. His aim is to expose his students to practical experiences needed in driving.

TOP LEFT: Mr. Kenneth Sink, *TOP RIGHT:* Mr. Carroll Spivey, *BOTTOM:* Mrs. Millicent King.

"I believe in helping every student to learn and develop to his fullest capacity. No matter how slow a student works, I strive to help him to realize that it's not how much you know or can do but rather, how well you use what you have been endowed with. Therefore, I do much individual work according to my student's mental abilities."

People Recognized for Service at North

The maintenance of our campus and buildings is under the supervision of Mr. Buck Nifong. He repairs, installs, adjusts and builds whatever is necessary. When a problem arises, "Buck" is always there to solve the crisis. He is highly respected by faculty and students.

North's "Sunshine Girl" is Mrs. Helen Tuttle. "Helen", as she is best known, starts to work early in the morning and continues till late in the afternoon. She is a cleaner, sweeper, and "a fountain unstopper".

North's Cafeteria Staff is under the supervision of Mrs. Marie Hanes. She tries to offer a variety of well-prepared menus to the students. Mrs. Hanes works many long, hard hours to make the cafeteria meals as enjoyable as possible.

Sophomores Come on Strong

Class Officers: Rebecca Bemisderfer, Treasurer; Donna Hunt, Vice President; Sharon Hege, President; Suzanne Fritts, Secretary.

Cheering at pep rallys, learning the ropes, and discovering "how it's done", were all new experiences for Sophomores. Searching diligently for a place at NDSH, we proudly established ourselves as the Class of '75.

Juniors Are With It All the Way

Class Officers: Donnie Everhart — President, Barbara Smith — Vice President, Vickie Bond — Secretary, Sharon Everhart — Treasurer.

Taking the PSAT, ordering class rings, and planning the Junior-Senior were all a part of the year for the Class of '74. Juniors provided an atmosphere that molded the yesterdays and paved the way for tomorrow.

Compliments o e Annual Staff

Annual Staff Puts It All Together

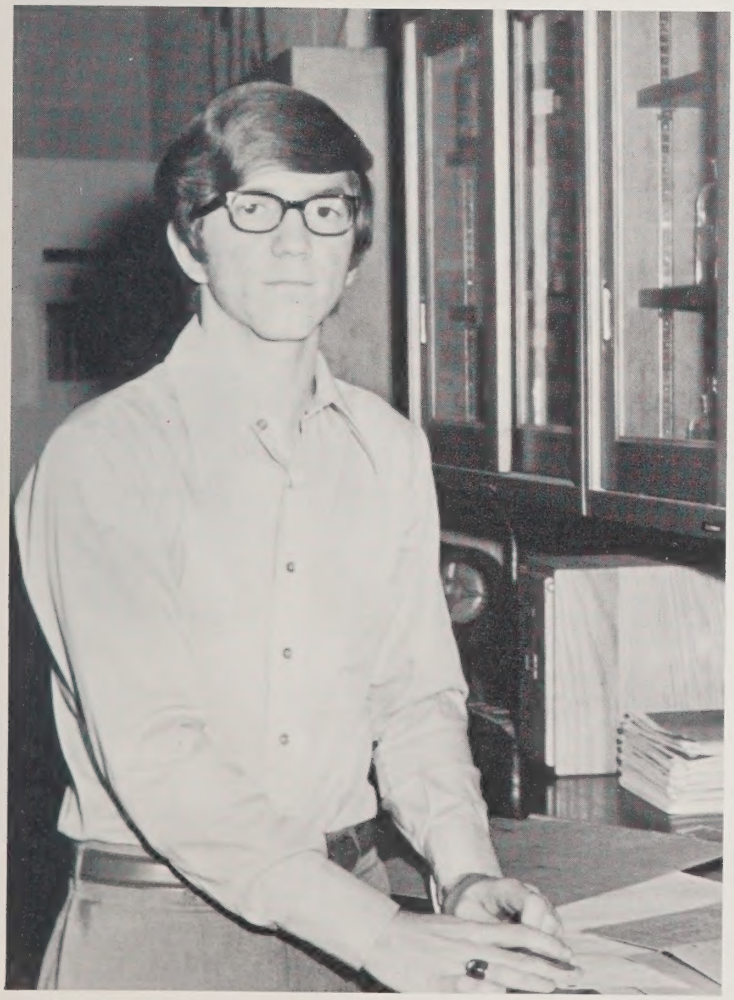
The 1973 *Nordahi* is the result of the efforts of twenty-seven staff members who met the fourth period each day to create an annual. With the help of Miss Brenda Vickers, advisor, and Miss Ella Mathews, business advisor, they succeeded.

The staff also succeeded in having a good time in class, during intramurals, and on outings. As shown in some of the pictures on the following pages, the trip to Shakey's Pizza Parlor was enjoyed by all. In class a hilarious game was invented and appropriately titled "Annual Quiz." During intramurals the staff became a team.

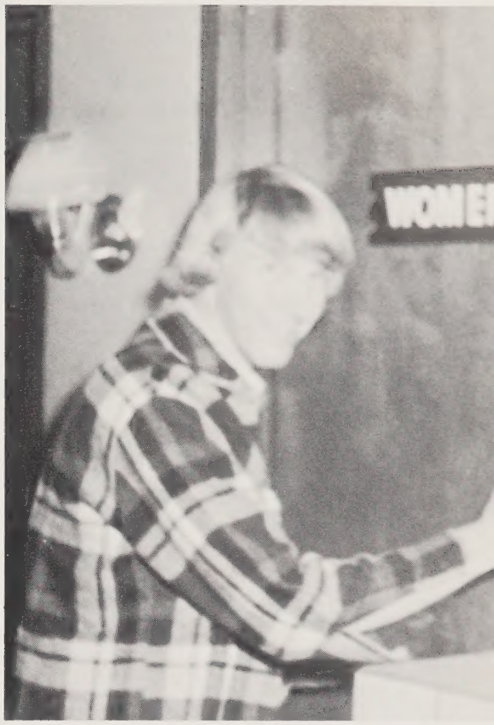
Yet there was work to be done. In the summer at annual camp the co-editors, Debbie Mize and Teresa Black, chose a cover, wrote a theme, and planned out the annual page by page. To raise money for the annual's production, ads were sold and a subscription drive was held. After staff members learned the basic techniques involved in making an annual, the real work began. Pictures were scheduled and taken, layouts were drawn, and copy was written and typed. Deadlines seemed to come and go all too quickly, but in late January the last deadline was met. Proofs still had to be corrected, but most of the work was completed.

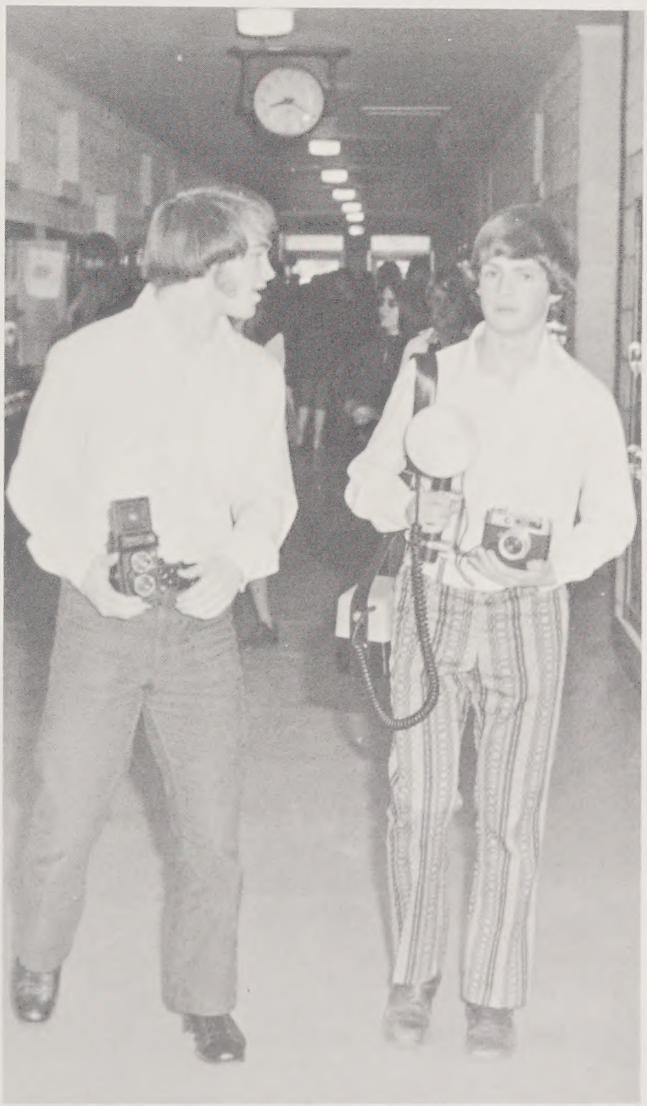
The yearbook was time-consuming and often unbearably frustrating. Sometimes problems seemed almost overwhelming, but creating the 1973 *Nordahi* was a learning experience that the staff members will never forget.

THIS PAGE: ABOVE — Co-editors Teresa Black and Debbie Mize discuss annual deadlines. *BELOW* — Miss Vickers, sponsor, is caught behind the bar at Shakey's. *OPPOSITE PAGE: ABOVE LEFT* — Vicki Billings crops a picture for the feature section. *ABOVE RIGHT* — Taking a break from working on the feature section, Kaye Clodfelter and Mary Ann Spillman wave their Shakey's hats. *BELOW LEFT* — Dennis Craver computes the number of subscriptions. *BELOW RIGHT* — Barbara Smith and Marsha Sink eat lunch after working on the Directory.



THIS PAGE: RIGHT — Robin Shoaf, John Regan, and Alan Everhart work on the club section. *MIDDLE LEFT* — Denise McMillian, proofreader, files a finished page. *MIDDLE RIGHT* — Business manager Bobby Koonts and his assistant, Gary Boyd, head the line at Shakey's. *BELOW* — The sports editors, Denny Arlege, Dan Craver, and Mike Sink race to see who can eat the most. *OPPOSITE PAGE: ABOVE LEFT* — Nina Wooten — Jr. Class editor, Beth Leonard — Sr. Class editor, and Lisa Robinson — Soph. Class editor "ham it up." *ABOVE RIGHT* — Rolland Pugh goes anywhere to get a subscription for the annual. *MIDDLE* — Judy Hill and Kim Anderson type copy. *BELOW LEFT* — Pat Fishel and June Wagner, faculty editors, enjoy a joke at Shakey's. *BELOW RIGHT* — Donnie Everhart and Ronnie Gallagher roam the halls taking pictures for the annual.





Sometimes we wonder if we are ever going to make it. It's so far away.

There are times when we need to think on the future.
We have experienced the past.
So there's not any need for turning back.

MEN

Cause all roads lead to where we stand
and I believe we'll walk them all
no matter what we may have planned.

As co-editors of the 1973 *Nordahi,* we would like to first of all thank all the members of the annual staff whose endless hours of work made this book possible. Our thanks go to Miss Mathews, our business advisor, for her management of finances; to Mr. Teal for his cooperation; to Danny Leonard for his trips to Brown-Rogers Dixon to pick up pictures; to Ingram's Studio for their photography work; and to the Josten's American Yearbook Company in Clarksville, Tennessee for their production of the annual. Most of all we appreciate the help that Miss Vickers, our capable and patient advisor, gave us.

We had an unforgetable experience creating this annual. We hope you get as much out of it as we have.

Co-editors,
Debbie Mize
Teresa Black
